# Queen Colleen - Glowing With Happiness

*"I didn't hear my name at first, and when I did, I thought it was a mistake!"*

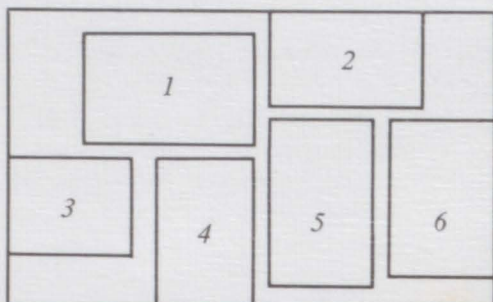

*That was Colleen's reaction when she was named Homecoming Queen. A little leary of having her friends and classmates see her crying, she hid behind Jim Speer-her escort. Although the applause has subsided she still couldn't hold back her tears of joy. The excitement of that day and memories of her reign will remain with her always.*

*Anxiously awaiting the announcement of the Queen are the finalists, Top: Anita Smith, Terry Finsterwald, Denise Schroeder, Melinda Berry and Karen Fielhauer. Bottom: Deanna Weaver, Queen Colleen Nugent, Cathy Emig and Sybil Compagnoni. Not present, Kari Gervais.*

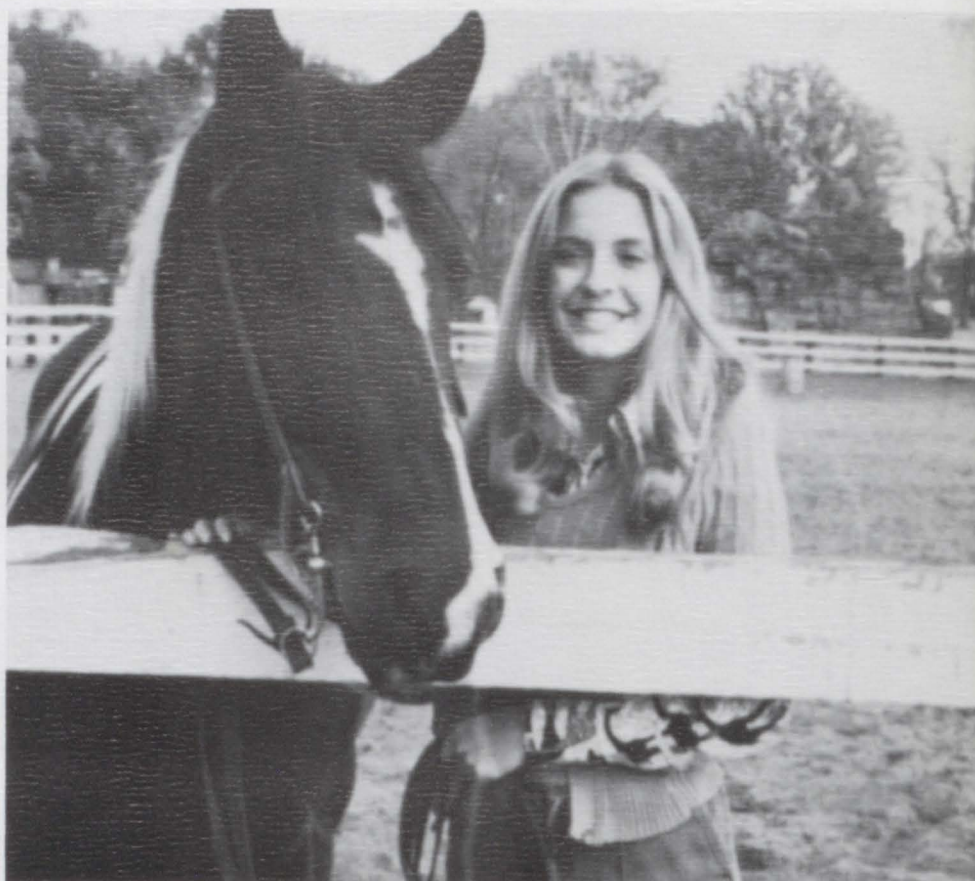

# Country Air Enhances M.C. Beauties

1. Beth Snell loves the outdoors and horses. She also likes art which she plans to pursue as a career.
2. Going to college and being a stewardess are just two of Irene Russell's hopes.
3. Sandy Kammer's time is filled by her interests in Student Government and her work at the city library.
4. Sports are on the top of Sue Wiinikainen's activity list.
5. Cheerleading and band keep Kathy Nugent busy throughout the school year.
6. Dawn McLouth's goal after finishing high school is to study to become a dental hygienist.

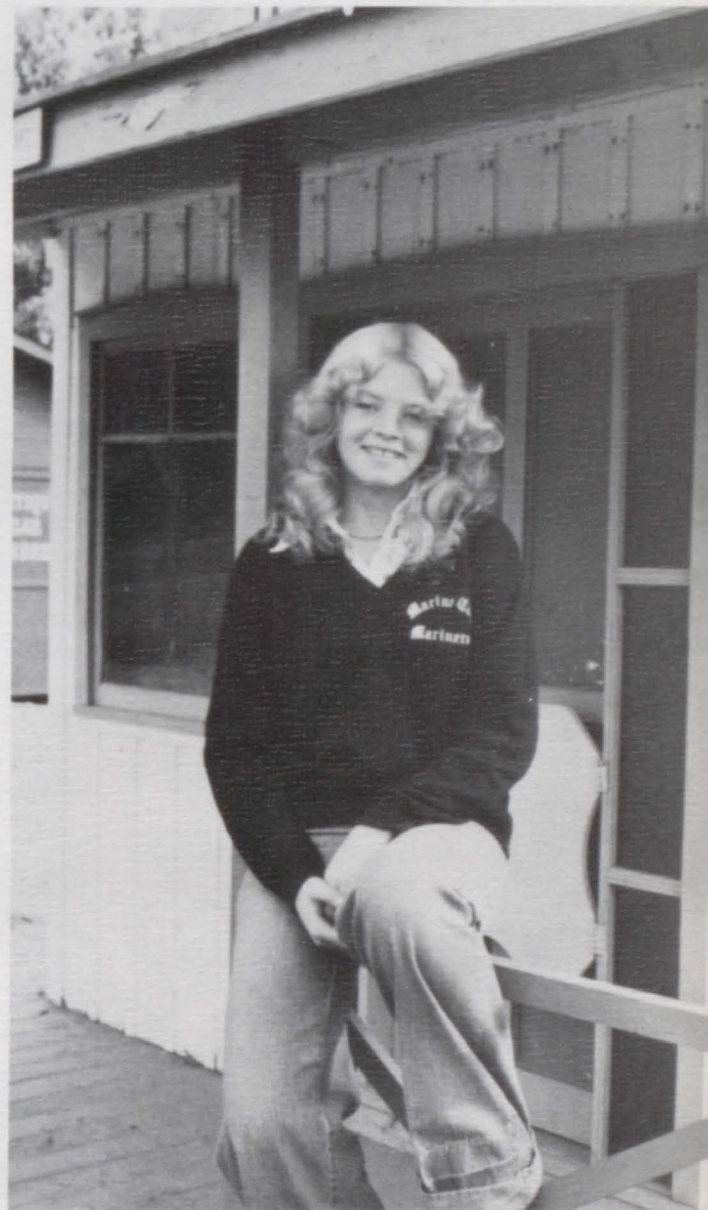

*How would YOU feel if suddenly your name was called and you were actually chosen as a member of the Homecoming court? Well, seven lucky girls experienced that feeling this year.*

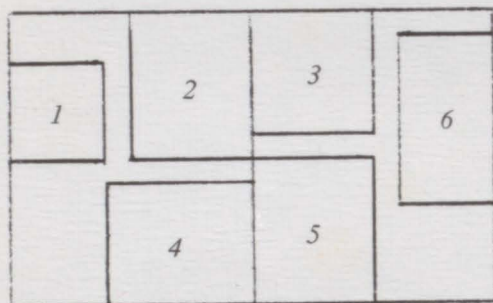

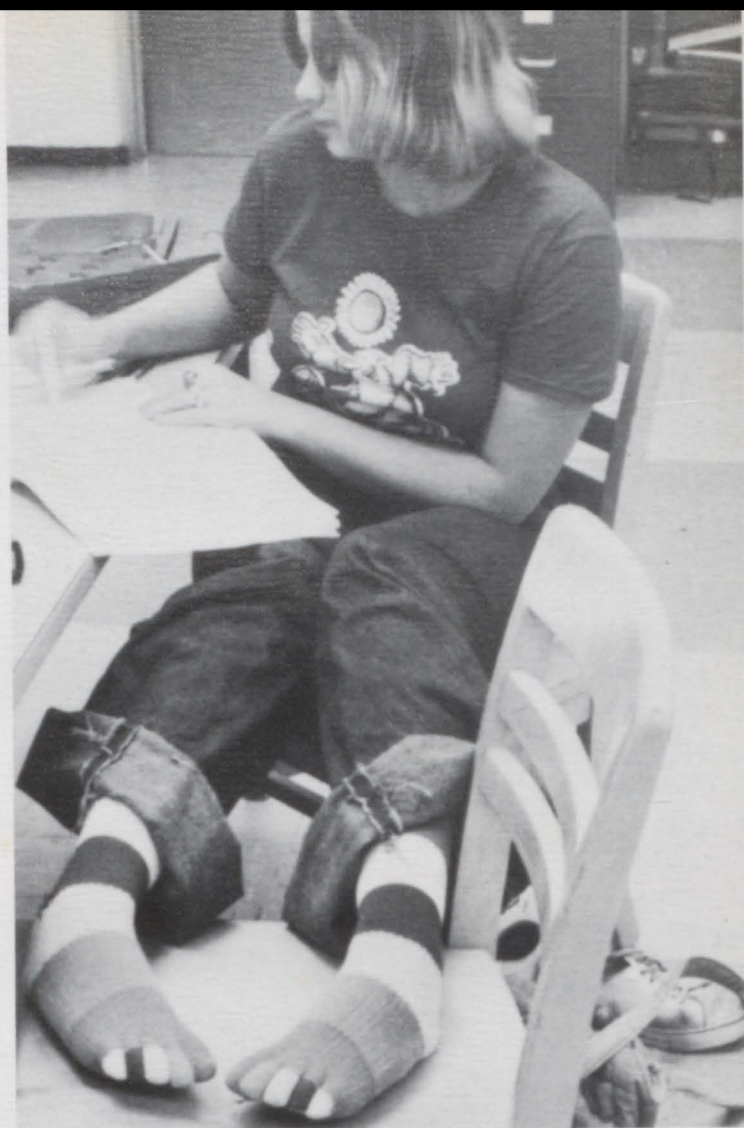

*When Mrs. Galvin took a steady hold of the microphone and announced each girl's name, they appeared stunned, happy, and proud. Each girl made her way down from the bleachers, encouraged by a loud round of applause.*

*This was just the beginning, still ahead was their crowning during the assembly presented for them, the half-time parade and the Homecoming dance, not to mention pictures and smiles galore.*

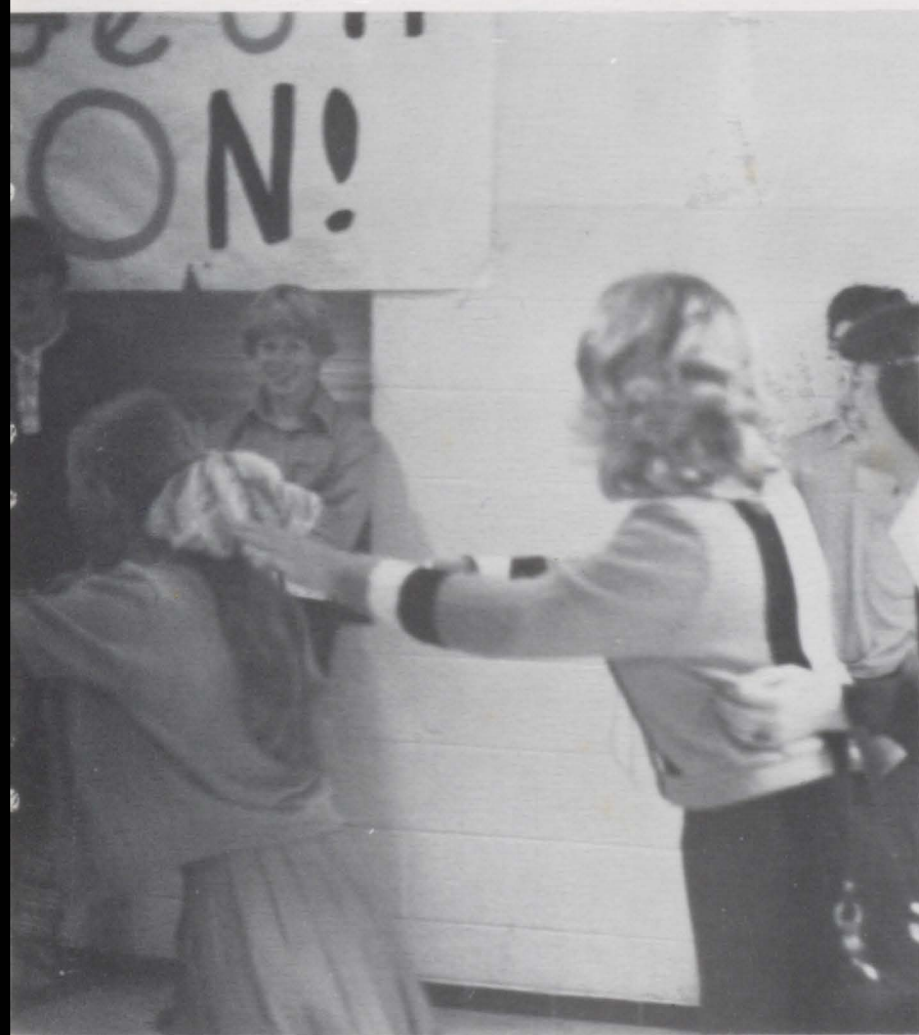

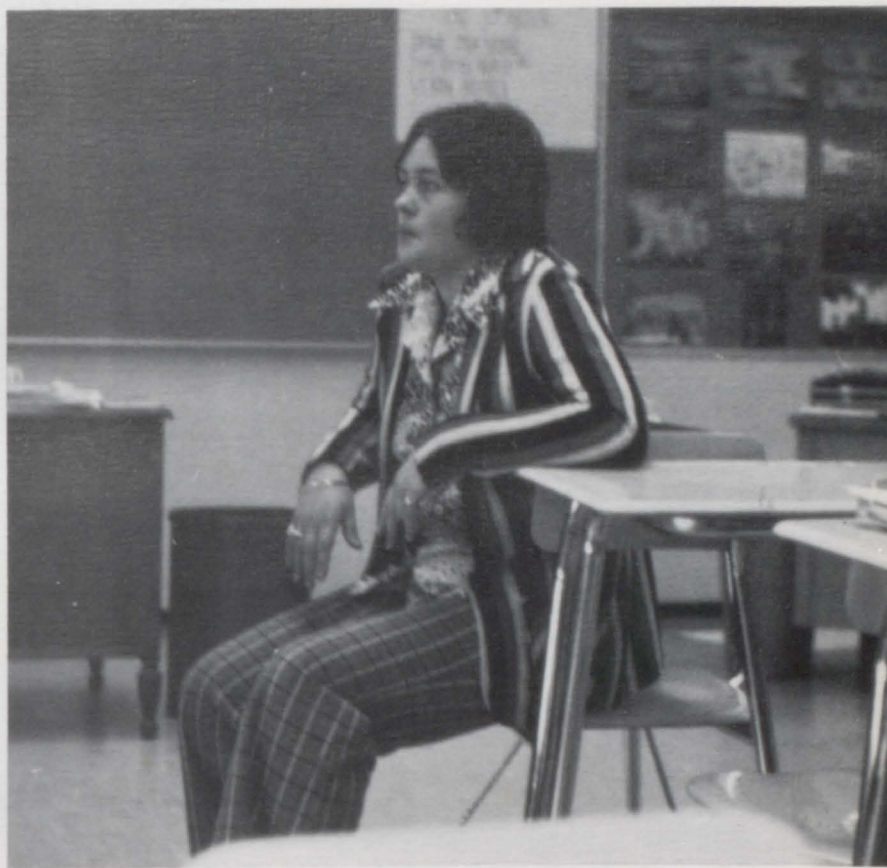

# *We've Got Spirit, Yes We Do!*

1. "Isn't it amazing!" cries Connie Anderson as she looks at the Senior hall filled with streamers, banners and ballons.
2. "Golly Gee, aren't they neat, just take a look at Sandy Smith's crazy feet!"
3. Irene Russell and Lynn Wenning flash a big smile at a group 'a greasers goin' by.
4. Irene Burgett models the newest fashion on Clash Day — an ensemble of stripes, plaids, and a floral print.
5. Plop, plop go the pennies as the Sophomore jug gains a little more weight to take first place.
6. A few groovers got together for a little jam session on B-Bop Day.

Penny Day got Spirit Week off to a good start. The office was jammed with students cramming pennies in their class jug and hoping that they would win. B-Bop Day was Tuesday. Boys slicked back their hair and wore leather jackets and shades. The girls literally went all out with red lipstick, pony-tails, saddle shoes and bobby socks. When Clash Day came, the students wore stripes with polka-dots, flowers with plaids and anything they could think of. On Sock-Em Day kids wore all kinds of weird socks including stripes, plaids and different color patterns. On Orange and Black Day everybody covered themselves from top to bottom with our school colors. The week ended with a great assembly and a homecoming victory.

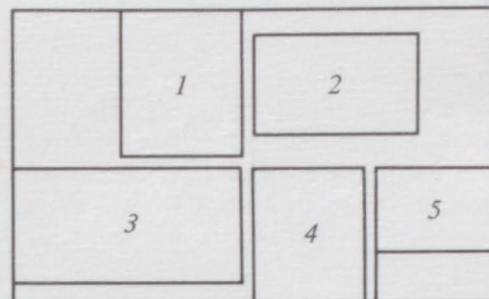

*"On your mark! Get set. Go!!!" Six foot tall Daryl Wilde battled along on his tiny trike while little Diane Beattie wheeled around the course to capture 1st place in the tricycle race.*

*With feet bared, anchors tied securely to the rope, and muscles tensed, the tug 'a' war began. The crowd was up on its feet cheering as their team struggled with all their might to pull the other closer and closer and finally over the center line.*

*These new events along with the traditional crowning of the court, pom-pom routine and pep rally gave us a spectacular Homecoming Assembly which fired up our team for a 7-6 victory over arch-rival St. Clair.*

1. Queen Colleen tosses out footballs to the lucky winners of the tug 'a' war.
2. "Pull! Pull!" shouts Jim Speer as he helps heave the junior class team over the line.
3. The beautiful girls chosen to reign over the Homecoming festivities were: Freshman Sue Wiinikainen; Junior Beth Snell; Senior Sandy Kammer; Queen Colleen Nugent; Senior Irene Russell; Junior Dawn McLouth; and Sophomore Kathy Nugent.
4. "Diamond Girl" was the pom-pom routine the cheerleaders presented for the Queen and her court.
5. "You've gotta be kidding! I can't do that!" cries Debbie Hopton while Jeff Britz and Daryl Wilde sit on their 2-inch tricycles listening intently for the starting gun.

## Homecoming — A Winner All The Way!

# Antics Liven Up Holiday Season

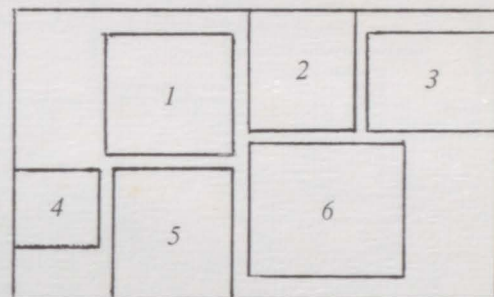

As Christmas-time rolled around, lots of things were happening. The Spanish classes got together for a big bash, celebrating "la navidad". Everyone, including college exchange students from Merida, Mexico, enjoyed the activities such as breaking pinatas, skits, a Mexican dance presented by "Berta Bombers" and most of all chowin' down on a few spicy dishes like tacos, enchiladas, chili and refried beans.

Mrs. Galvin's Child Development classes invited little kids in for a party, Santa popped in to hear the latest Christmas wishes. Each of the kiddies received a present from his sack.

This year's Christmas play centered around the idea that the world was in too sad of shape to have Christmas. Santa's elves took the reindeer out and visited a business office, a high school classroom, a family living room, and a shopping center. They found corruption, disrespect for Santa and commercialism of Christmas. Back at the North Pole, Santa got the report. He announced there would be no Christmas, but with a nudge from Mrs. Santa he allowed everyone five minutes to prove they were worthy of Christmas. Everyone scattered and within minutes the Nativity Scene was miraculously constructed in the center of the gym while "Silent Night" was sung.

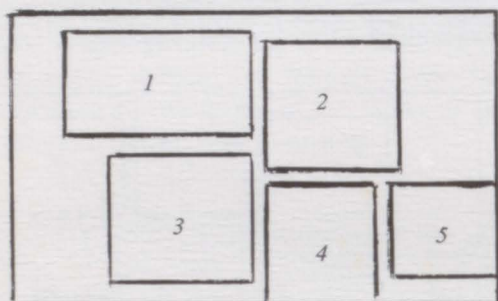

1. "Don't you think you're a little young for nylons, lipstick, and false eyelashes?" asks Santa, Dick Markel, to Yvonne VanOrder.
2. "Ho, ho, ho, what would you like for Christmas?" asks Santa (alias Mr. T.).
3. Tammy Southard hangs one of her original Christmas ornaments on the Child Development tree.
4. "You brats aren't gettin' anything for Christmas!" screams the mother and father, Barb Brenner and Tom Clemmons, to their kids, played by Shirley Griffor, Debbie Bassett, and Monica Maloney.
5. "Settle down class! Do you hear me!?" shouts the teacher, played by Kim Reiner, to her students Kim Blair, Sue Wawryziniak, Penny Hilla, and Michelle Eber.
6. Wham! Pam Lester wallops her class pinata as it sways back and forth at the Spanish Christmas party.

1. The lovely ladies chosen as the Snow Court pause before leaving for the parade. The girls are: Freshman Michelle Endres, Junior Beth Snell, Queen Anita Smith, Sophomore Cathy DeGueisippe and Senior Sandy Kammer.
2. Minnie Mouse, Mickey Mouse and Goofy give a friendly smile and wave hi to their adoring fans.
3. Snow Queen Anita Smith relaxes a few minutes anticipating the excitement of her evening's reign.
4. Frosty the Snowman smiles as he passes by the judges' stand and captures 2nd prize.
5. Joni Mitchell and her friends, Donald Duck and King Kong, pass out brightly colored balloons to little kids at the Christmas Parade.

# *Enter Winter's World of Fantasy*

*From Water Street to Parker, people were anticipating the arrival of the Christmas Fantasy Parade. Smiles of joy and happiness were seen on the children's faces as their favorite Disney characters came marching down the street. Santa and the Snow Queen also played a big part in the parade. In the float competition the Juniors won 2nd place and the Queen's float, sponsored by the student council, took 3rd. The evening ended with everyone gathered around the Christmas tree singing carols led by the Marine City High School Chorus.*

"Blind, deaf, mute? She's like a little safe waiting to be unlocked." This passage from "The Miracle Worker" represents the main idea of the drama based on the life of Helen Keller. Set in the 1880's, William Gibson's play begins with Helen as a child; blind, deaf, mute, unable to communicate or be controlled. There is no operation that can help her. Her parents contact Perkins Institute for the Blind and Anne Sullivan takes on the job of helping Helen. Anne herself was blind but after numerous operations her sight was restored. The task of teaching Helen is difficult; her family pities her and therefore spoils her and shows no discipline toward her. Anne teaches her to feed, clean, and dress herself, however the main part of her instruction is on conquering the language. She practices the hand alphabet with Helen, trying to make her associate the words with the objects. The climax of the play comes with Helen's utterance of her first word - water.

# *"The Miracle Worker"*

1. "Water, Helen. W-A-T-E-R. It has a name," instructs Anne Sullivan.
2. Helen clutches the banister as she makes her way up the stairs closely watched by her teacher Anne Sullivan.
3. The Keller family gathers for a prayer over their supper.
4. Helen quickly pulls back her hand after Percy bites her fingers.
5. "Don't - don't," shouts James in pain as Captain Keller twists his wrist.
6. The children of Perkins Institute for the Blind bid farewell to a fellow student, Anne Sullivan.

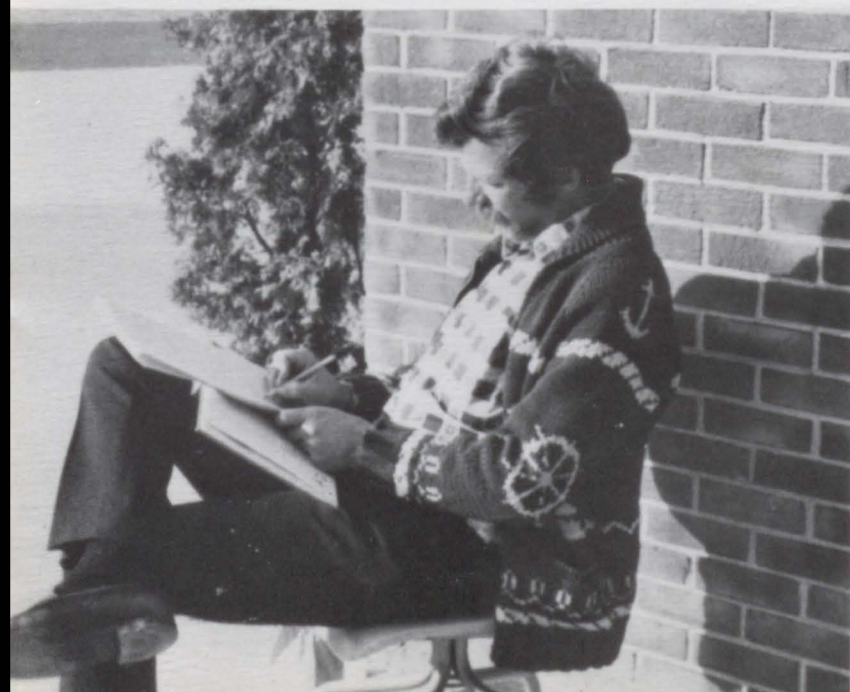

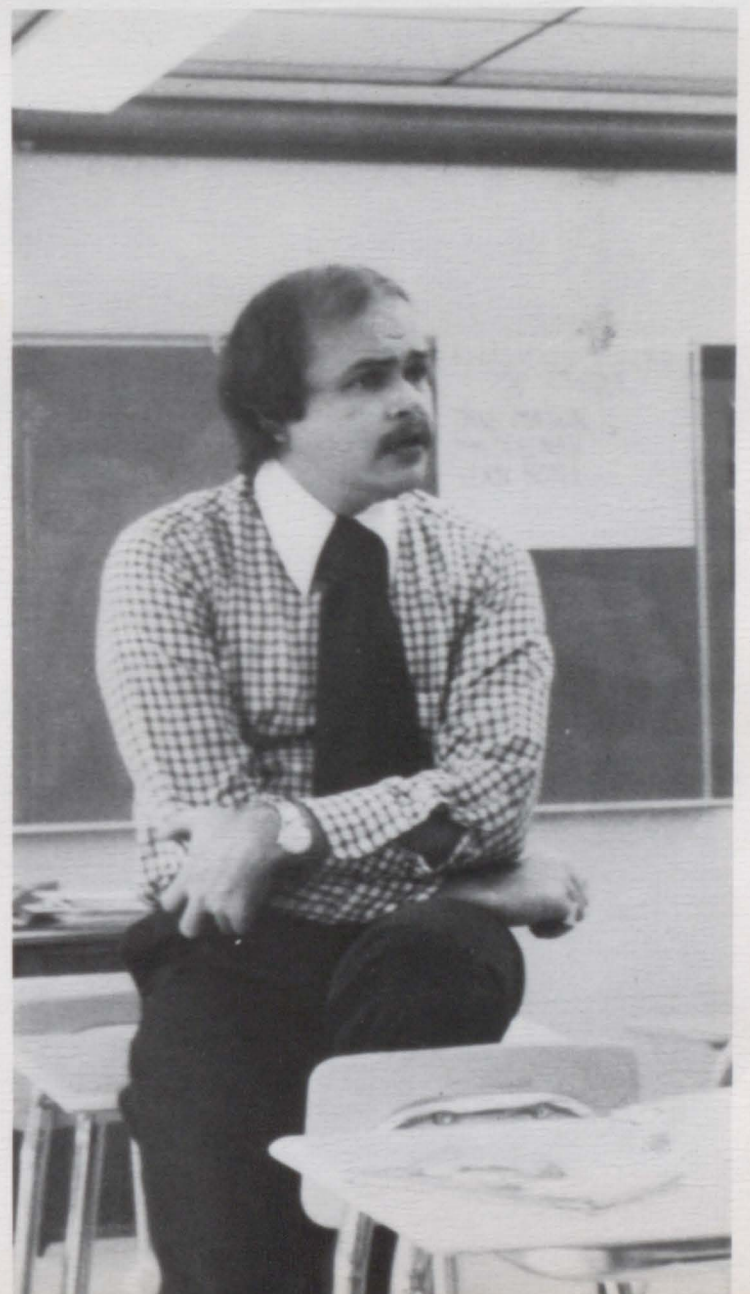

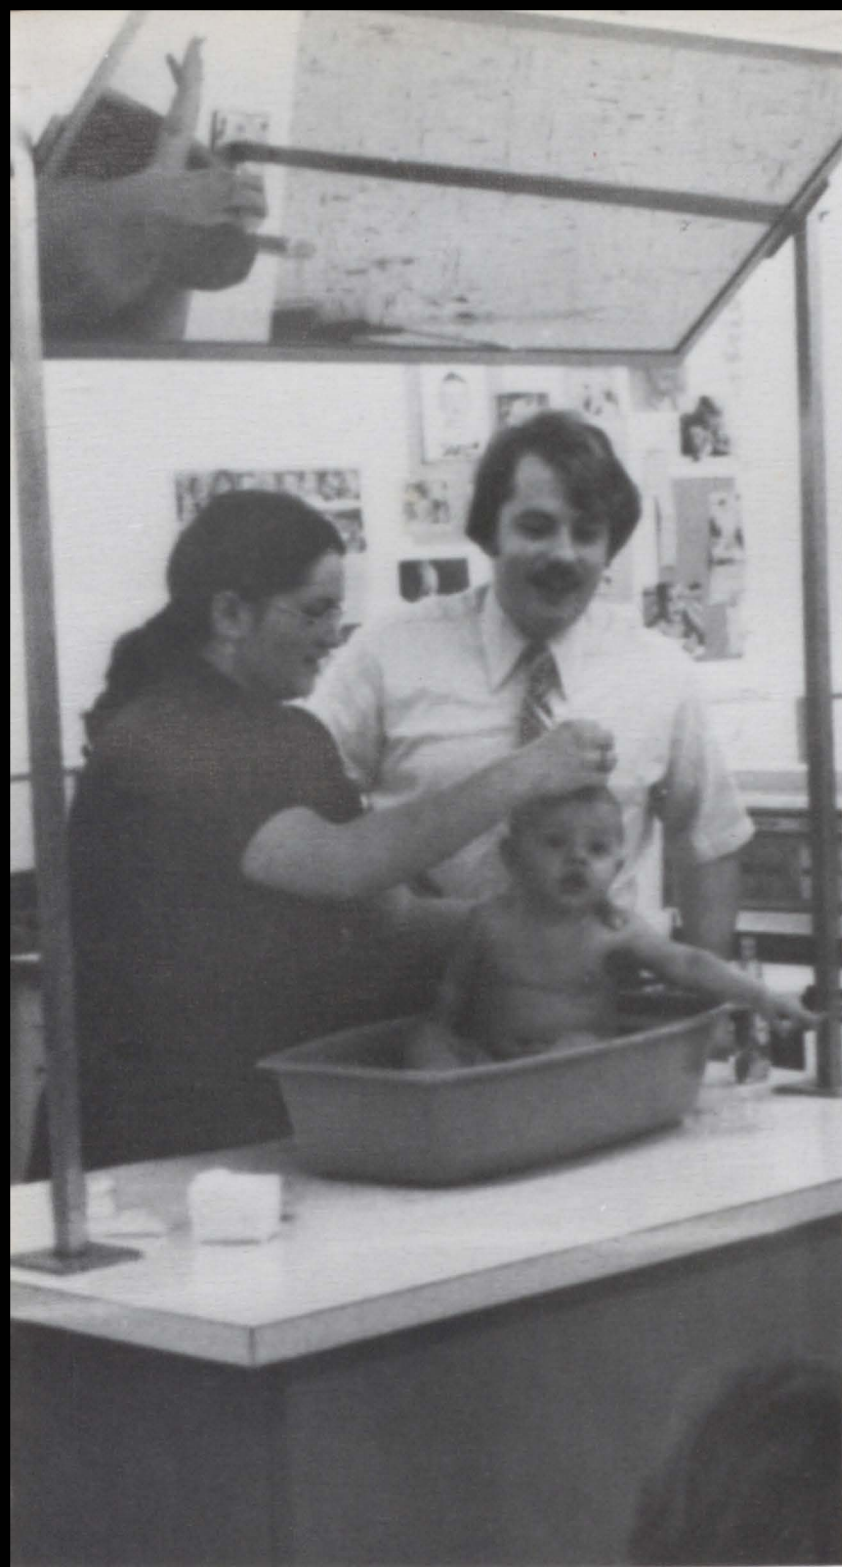

## *The Educators*

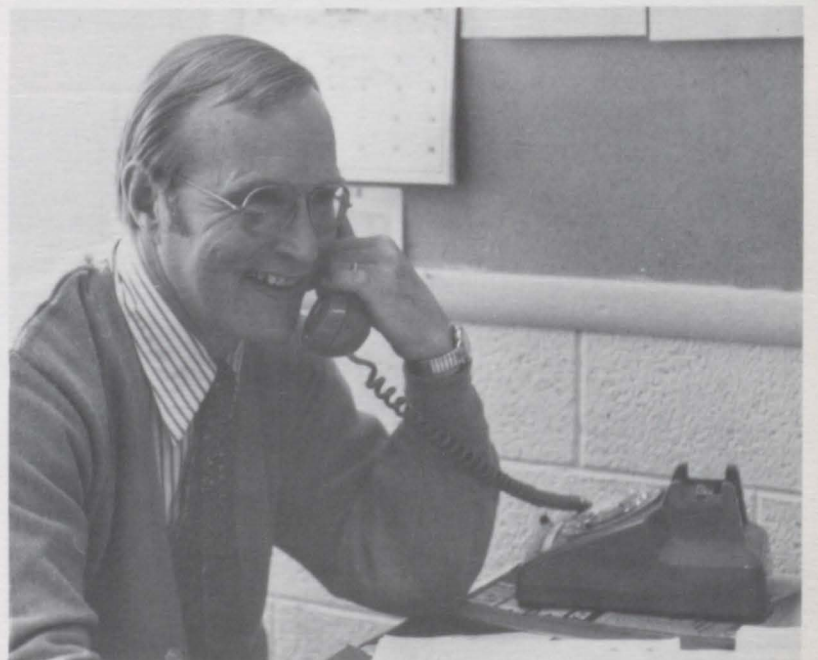

# Trudell's Team — Tip Top Shape

M.C.H.S. is built on a very strong foundation - Principal Edward Trudell and Assistant Principal Eugene Parsons. These respected men carried the burden of an entire school and the welfare of its students.

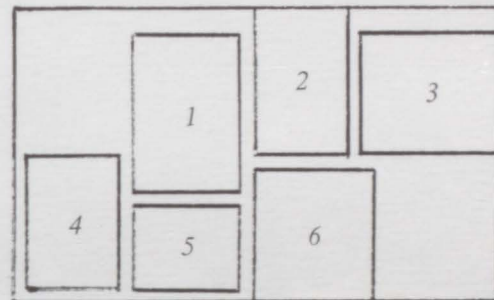

There were strange faces and crowded classrooms this year, but Mr. Trudell seemed to make it all click together. He helped the teachers as well as the students, adapt to the new schedule and after we all got over the 9:39, 10:38, etc., he lead us into another successful year with a smooth running school. He guided us showing all his wisdom and understanding, but still his sense of humor and his pep came out.

The athletic activities in our school were organized this year by Mr. Stanley Wiinikainen. His duties included scheduling when the what team would play with the who team, at the where gym and at the what time? During the school hours Mr. Wiinikainen participated in sports as a referee or a player in his gym classes.

After being called down to the office 32 times this year for not having your note in on time, you may have wondered who is responsible for this. Well, wonder no more, because it was one of Mrs. Carol Eber's daily routines that took place in the office. She, along with our other two secretaries, Mrs. Lucille Chartier, our principal's personal secretary, and Mrs. Ann Marie Westrick, helped to keep the in and out traffic through the office running smoothly. Throughout the year these women helped our school to be a little more organized.

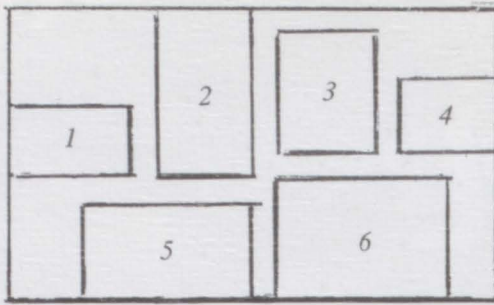

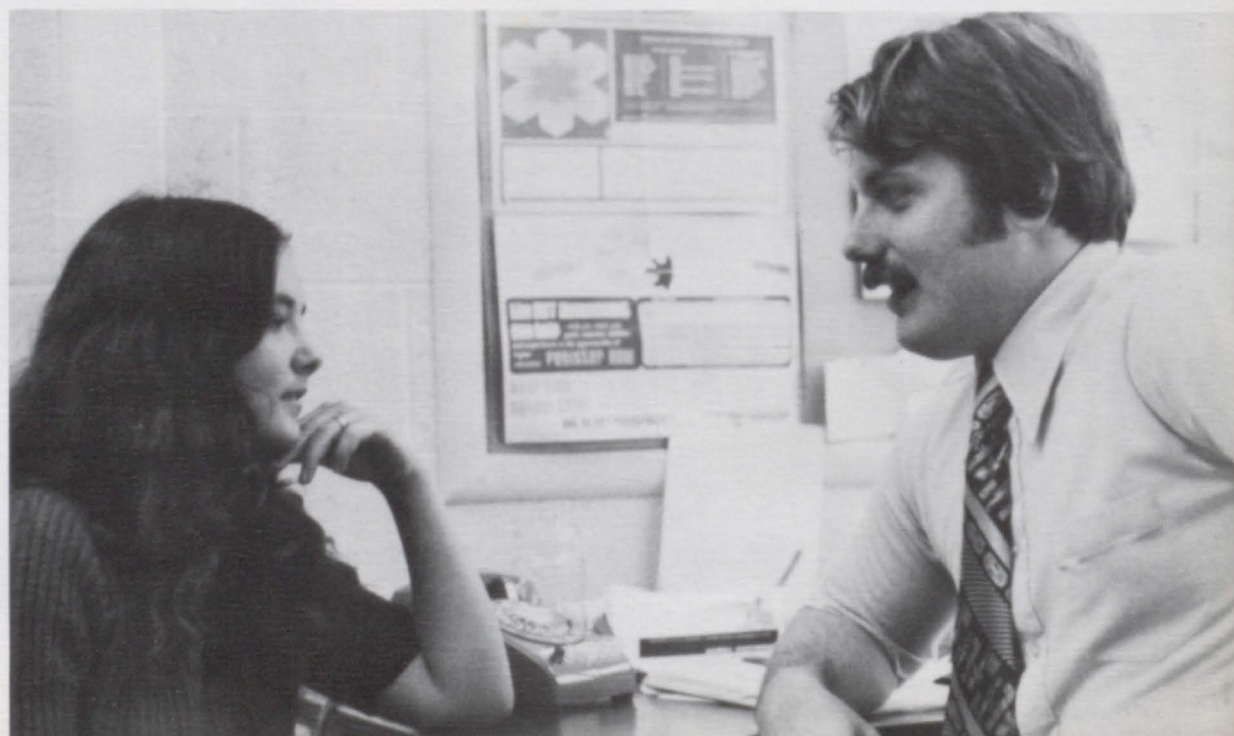

1. Mr. Edward Trudell's warm friendly smile will make anyone cheer up after being suspended for two weeks.
2. "Two, four, six, eight, I sure do need my coffee break", exclaims Mrs. Ann Marie Westrick.
3. Can't you tell Mrs. Lucille Chartier just put a Tic Tac in her mouth and got a bang out of life at M.C.H.S.?
4. "Now let's see, who pulled the fire alarm yesterday," says Mr. Eugene Parsons.
5. Did Mr. Stanley Wiinikainen REALLY find it funny that someone stuck bubble gum in his phone?
6. "Hmm, another obscene letter," says Mrs. Carol Eber as she looks over the teachers' mail.

1. "I'm sorry, but you just can't take 16 classes and graduate this year," Miss Kathryn Kimmel tells Lee Knight.
2. "Say ahhh," Mrs. Joyce Wiinikainen tells Wendy Kellehan, "just as I thought!"
3. Mrs. Joyce Arnold questions Steve Andrews if he's REALLY going to see his counselor.
4. Mr. Jeffery McCabe shows David Heimbach that it's a fact that flouride helps prevent cavities.
5. Mr. David Scheel gives sound advice to Debbie Schwartz about her schedule.
6. "I want you to go straight to library and no laps, Mrs. Donna Faucher firmly states.

# Future Plans Start Here

*What college I should go to? What class I should take instead of C.B. Biology? Should I apologize to get back in class? Mr. David Scheel and Miss Kathryn Kimmet, our counselors, help us make the right decisions. They are familiar with student problems and they try to become acquainted with each individual student.*

*The library is usually used for reports, research papers or leisure reading. Also anything from Dating to Shakespeare can be found as a supplement to your studies. Our library was rearranged to suit the needs of the students of M.C.H.S. by Mr. Jeffery McCabe and his aids.*

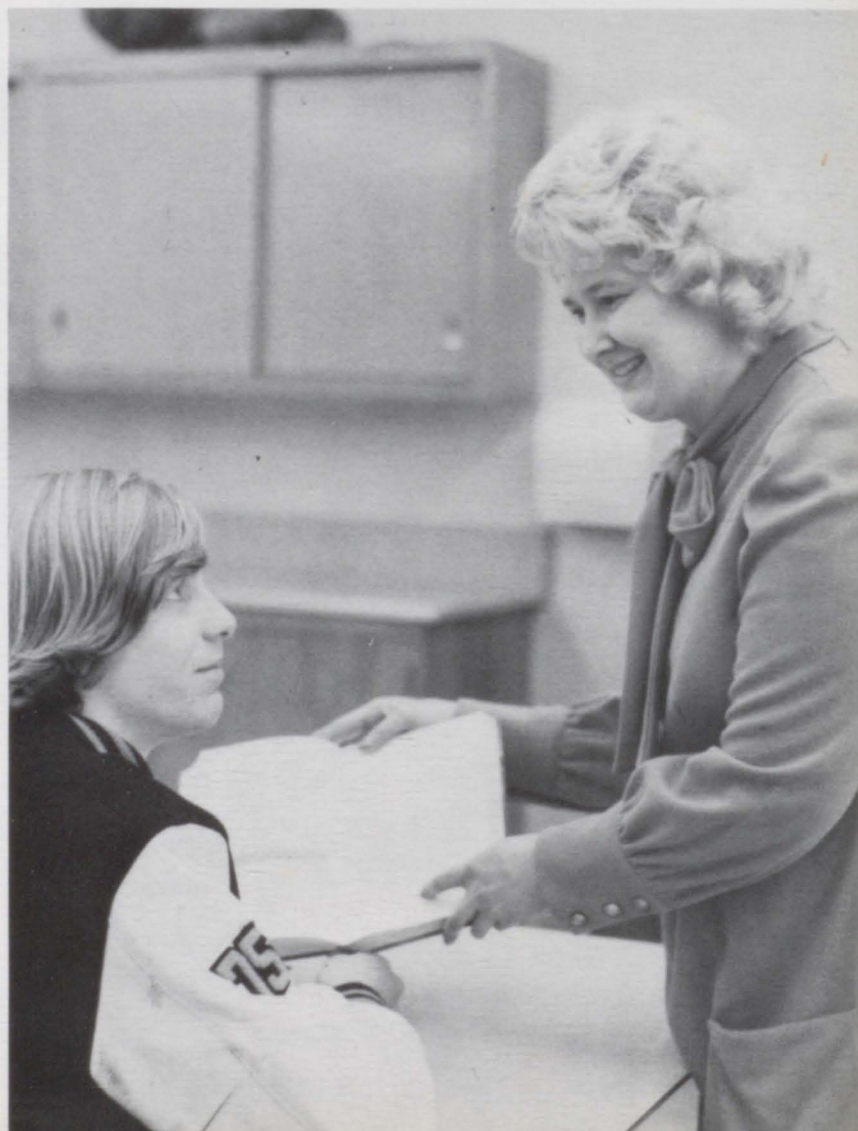

# When You've Got It, It's a Snap

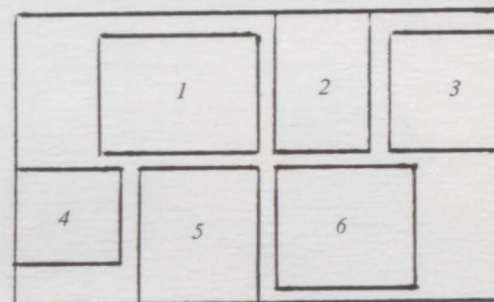

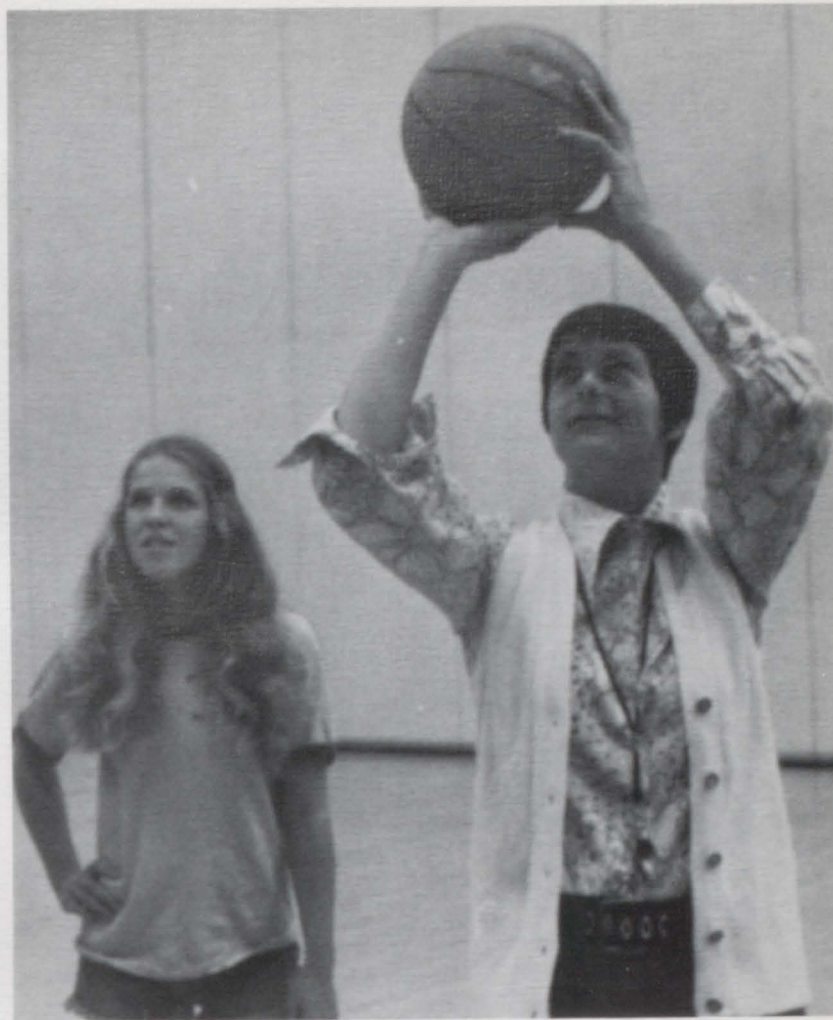

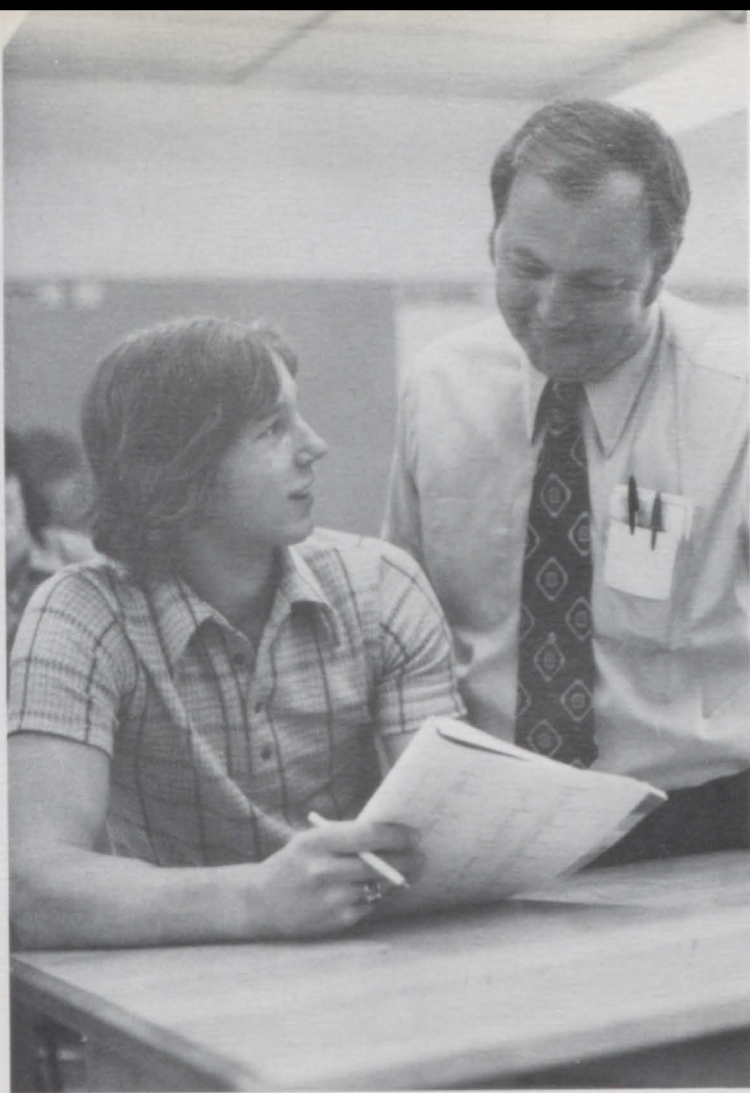

The study of arts and languages helped students understand foreign cultures and appreciate all forms of art. Spanish classes provided students with the knowledge to speak a foreign language and also the opportunity to visit another continent. This year the Spanish class got to tour Madrid and also other fascinating cities of Spain. The art students created many different things such as carvings, stitchery and oil paintings.

Inflation has struck! With the help of the co-op program some of our students were able to get a job on co-op. Not only did they have a little extra spending money, but it gave them some experiences in their plans for the future.

Teaching Mathematics, Miss Sue Meisner also helped out with the overload of girls gym classes. Getting out of the ordinary gym class routine such as exercises, volleyball, basketball, soccer, baseball, and track the new experience of modern dancing was brought to the red and white striped yelling FEMALES.

*Black and blue thumb nails, broken pencils, and blistered fingers, were only a few of the casualties from the Industrial Art classes. While getting the not so glorious scars, the students achieved an education in mechanical drawing and wood, plastic, metal shop.*

*M-m-m good, m-m-m good, Mrs. Galvin's class is m-m-m good! Could it be Mrs. Galvin started teaching chorus? No, it's the students talking about their cooking.*

*They were instructed in family living in addition to cooking. They also learned the basics of home economics and the ingredients of a happy home.*

## *Getting the Knack is "M-M-M Good!"*

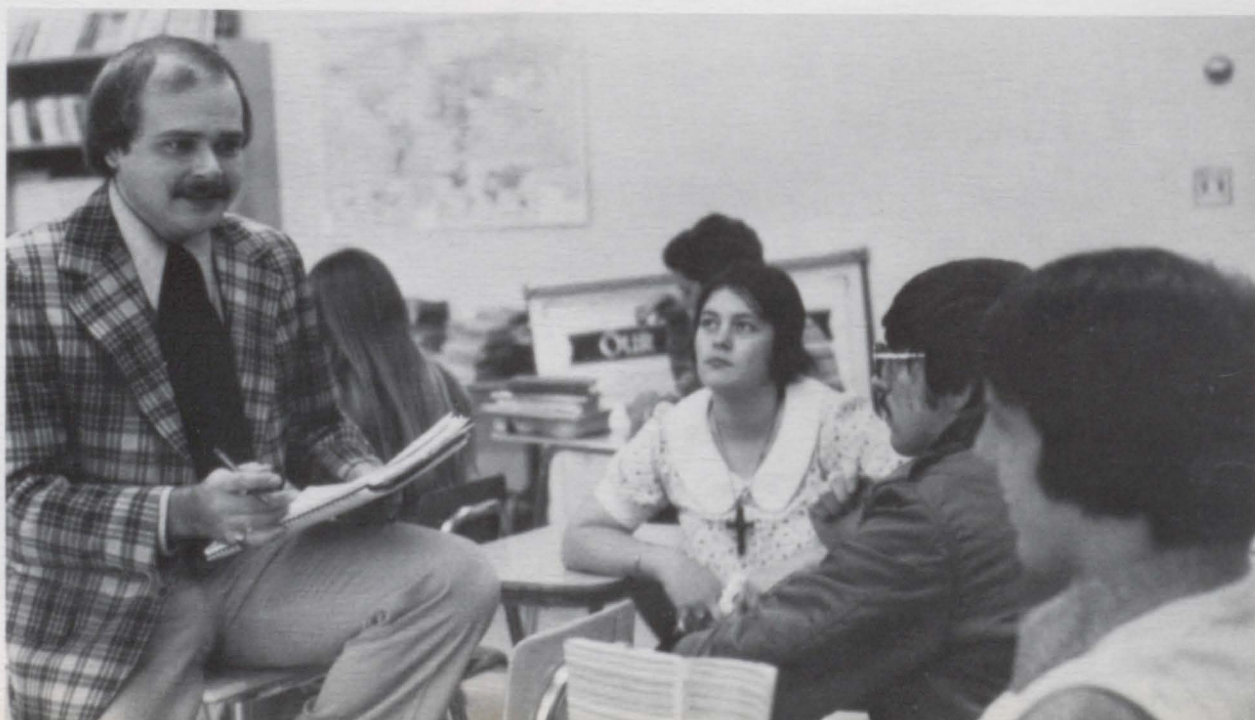

Required classes in high school, such as History or Government, usually are boring but this year they were REALLY boring! A visit to the county jail, viewing a county commissioner's meeting and a jury trial, made the classes more exciting.

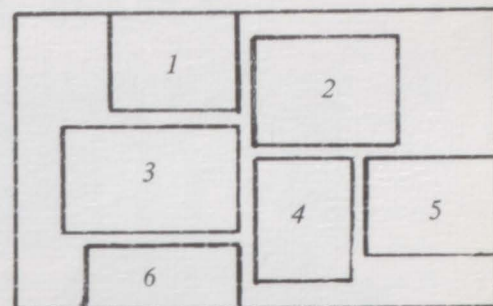

Through rain, sleet, and snow, our band didn't fail to give us a good year of entertainment at football games and parades. They put a lot of talent and effort into their halftime shows, which encouraged more school spirit.

This year the Chorus put on their traditional Christmas and Spring concerts. They both were a success and brought the Chorus a little fame and fortune.

*The questions are: Where do you go to learn how to use adverbs and adjectives? How do you write a paragraph? Well, where else but the M.C.H.S. English classes. Most students liked the courses because they mainly enjoyed reading and writing, but there were some that just took it because they WAS made to. The English they learned wasn't only used in class, but in everyday life for such things as writing for the Log and to Aunt Gertrude. Drama classes used their skills in plays and assemblies to sometimes entertain the student body.*

*All in all if they ain't got no good English when they started, they sure did when they finished.*

# Science & Math Move Minds

Students who enrolled in various types of mathematical studies found the fact and figure world of geometry, algebra, calculus, and basic math to be stimulating, thought-provoking and just plain difficult. Once they got over the hard stages, they were on their way to learning why  $x^2 + 34a$

When somebody mentioned science this year what did you think of? Chemistry? Biology?  $H_2O$ ? Newton? If you were the Dr. Jekyll or Mr. Hyde type you were sure to find our science courses to fit your needs.

Through different lab experiences, students discovered what kind of reactions to expect when their experiments were a success. However, if puffs of blue smoke were coming from the science room doorway, you could tell they weren't doing too well!

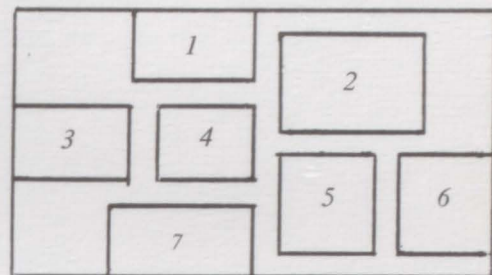

*"Whoops, I just goofed," was one of the many remarks that you heard frequently coming from the business classes. Taking care of business in the changing world isn't all that easy, but with a little patience and time the students got their minds to start ticking.*

*Have you ever stopped to think where that gum wrapper went to that you dropped in the hall last hour, or what you're going to have for lunch today? No, because that's what was taken care of by the efficient people working behind the scene.*

## *The Competitors*

## Marine City Romps

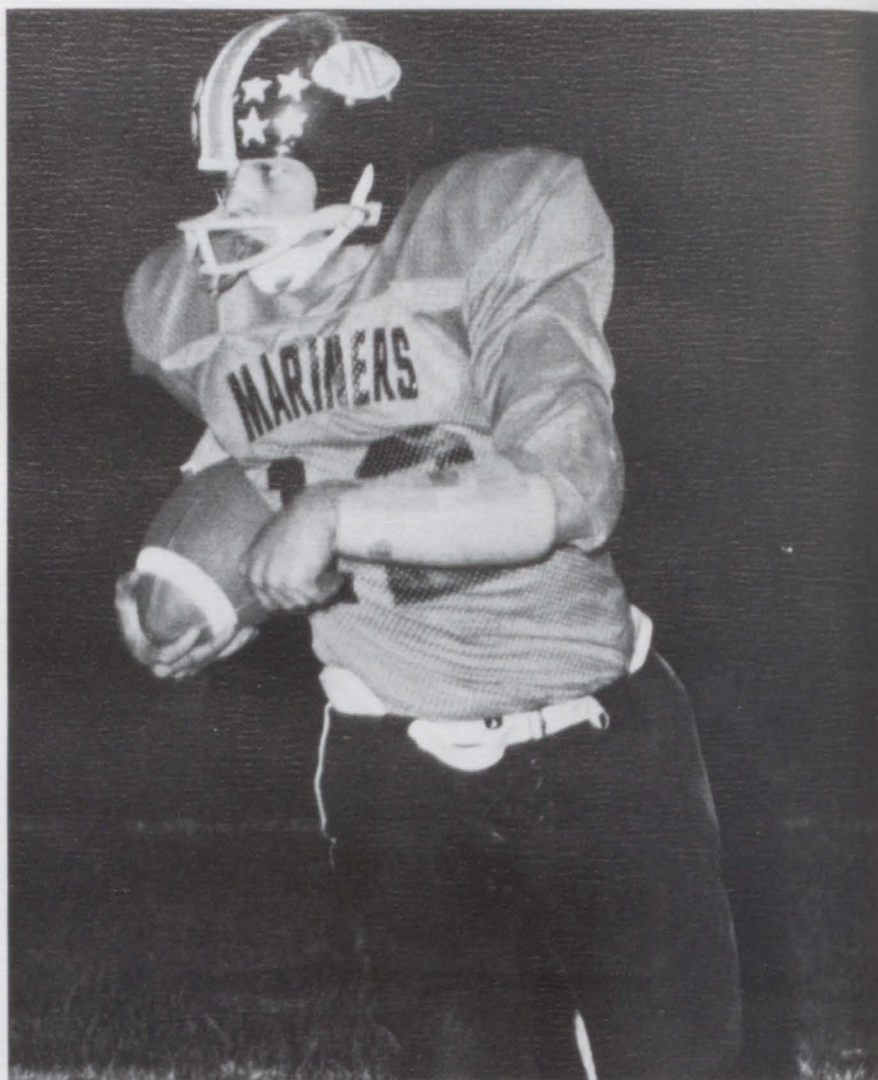

# Varsity Powers Through Opponents

"Wow, what a game!", "Good play!", "Did you see that great game?" These are just some of the things people were saying after Marine City Mariner victories.

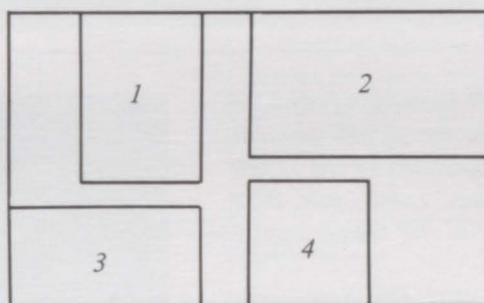

This year the Mariner team was different from any year in the past. They all had the desire to WIN. The teams in the league were tough, and Marine City surprised them by being just as tough. They really showed their spirit and enthusiasm by beating unbeaten St. Clair in a very hard fought game. Marine City and St. Clair were both scoreless until the last quarter when the Mariners had the ball and tried to kick a field goal. St. Clair blocked it and ran in for a touchdown. Then Marine City came back with only one minute to go, and Bill Andrews drove in from the thirty yard line to tie the score 6-6. Jim Bradshaw kicked the extra point to win the game and the crowd went wild. That win pushed Marine City to the number three position in the thumb area poll.

Then the Mariners went on an up and down scale, losing hard to Anchor Bay and Algonac. Southern Thumb Area champs Armada, came to Marine City and were defeated by the Mariners 32-13.

The future looks bright for Marine City Football. We've broken the "curse." We now must move to establish a running tradition. Coach Warkentein has put a feeling of pride back into Marine City football. The addition of weight training year-round and the starting of an ironman club further inspires a running desire. We've gained respect in the league this year and next year should be even better. Through hard work and determination the Mariners spirit has returned, bringing a winning season and a good outlook for the future.

Roger Kierszykowski and Jim Speer were this years captains. Loren Lowe was voted Most Valuable Player. Best Defensive Player was Brian Zimmermen, with Bill Thompson voted Best Offensive Player. Roger Kierszykowski won Most Spirited, and Most Improved was Bill Klieman.

This year was a year for awards, as it was a year for success. Brian Zimmerman and Loren Lowe were both selected for All-League Defense. Coach Jerry Warkentian was honored by the Times Hearld as Coach of the Year, representing the entire thumb area.

The guys put all these superb efforts together with lots of cooperation and the help of their coach, Mr. Andy Newlands.*

## *Markel Leads The Way Running, Sprinting, CC Pulls Ahead*

Running cross country is no picnic for the men at Marine City High. When Mr. Walker Archer was asked to explain how his guys were different, his main comment was "Very dedicated." Dedication includes running 6 or 7 miles to school in the morning, practicing after school, and then running back home after practice.

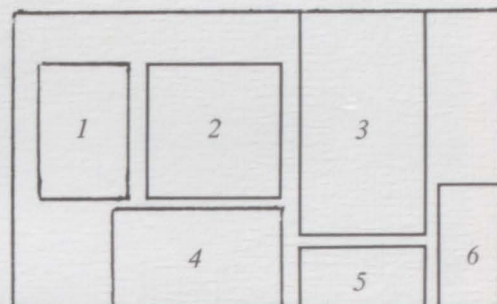

The Mariners ran against Algonac four separate times this year. Three were victories. During the dual meet, our guys put forth a fine effort but they still lost. When the team played Capac, we had a perfect score against them. We took all four places. This year the Harriers played 3 class A schools and came out on top every time.

The most valuable player chosen for this year was captain John Markel. Because of his many fine performances, including no losses in a dual meet, John was chosen All Area and All League.

Many fine runners with alot of determination are waiting for another season full of hard work and victories.

1. The Mariners listen patiently as Mr. Archer explains the course.
2. John Markel demonstrates the skill and endurance it takes to become an All-League harrier.
3. Just hanging around is the cross country team: bottom to top, Tim Griffin, Bob Shattuck, Joel Bell, Steve Markel, John Markel, Tim Markel, Shawn Smith, Rick Charboneau, Dick Markel, Jim Endres, John Gillman, Dave Micoff, and Dennis Genau.
4. The Mariner guys look rough and ready to run another three miles.
5. Joel Bell stretches out just before the meet.
6. The long three mile run seems to have exhausted Matt Redden.

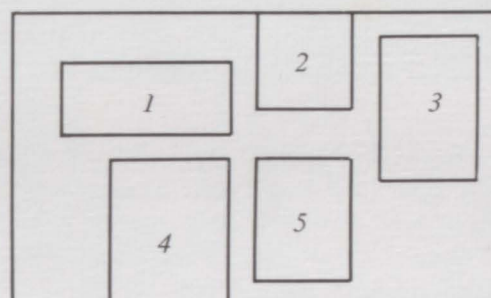

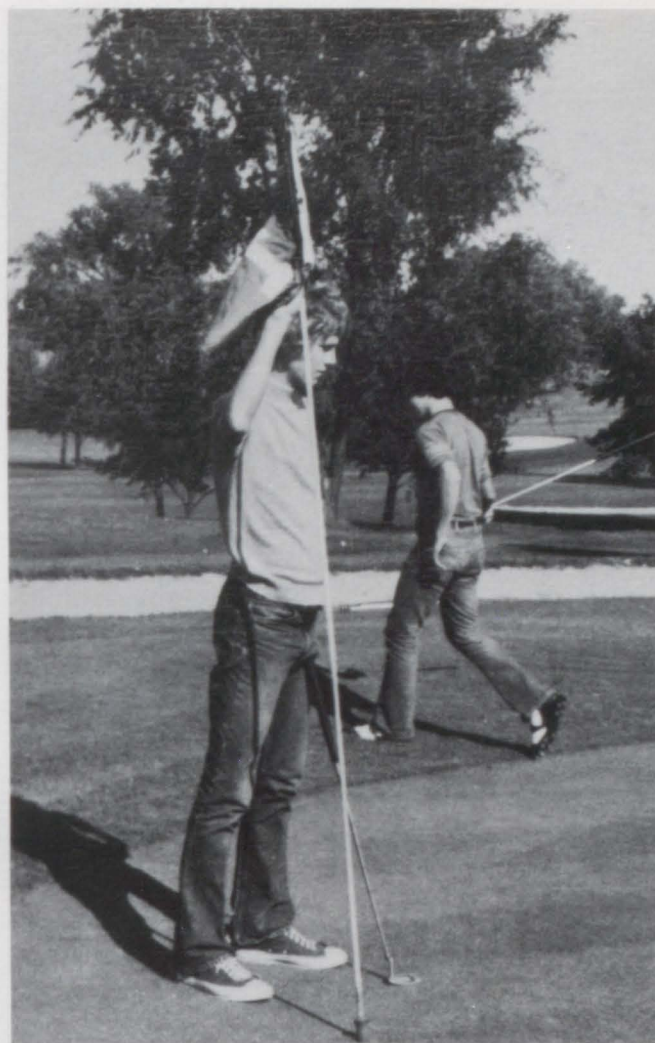

# Golf Improves Productive Season

*This year's golf team has had the most productive season Mr. Gunderson has ever coached. The guys won three league matches and ended up fifth in the league tournament. This year's captain was Ed Lozowski. Drew Flemming was the golf teams most valuable player. Other leading scorers were Junior Don Benoit and Freshman Tony DeWitt. These guys played with confidence and pride. It was this attitude mixed with a lot of skill that helped them bring us a super golf season that we can be proud of.*

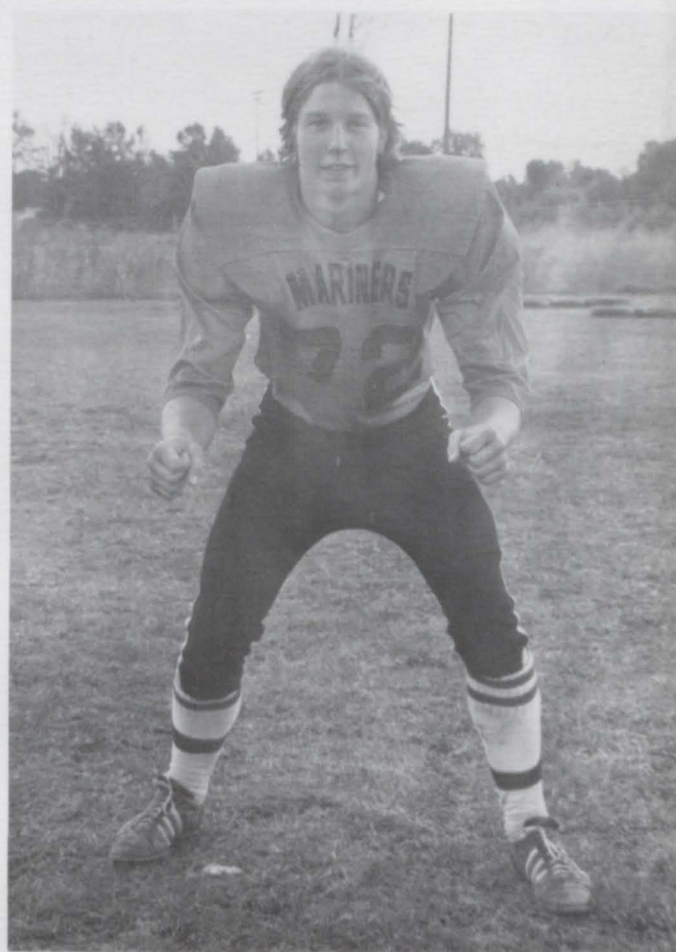

1. This years putters were - Coach Gene Gunderson, Tony Dewitt, Joe Kardasz, John Kardasz, Bill McCollister, Don Benoit, Drew Fleming.
2. Chipping on to the green is Junior Drew Fleming.
3. Junior Don Benoit hold the pin as he patiently awaits his turn.
4. Freshmen Tony Dewitt gives Mr. Gunderson a hand with a golf bag as they head for the course to start another match.
5. Allen MacDonald makes good use of his spare time improving his swing.

# Warkentien - Coach of The Year!

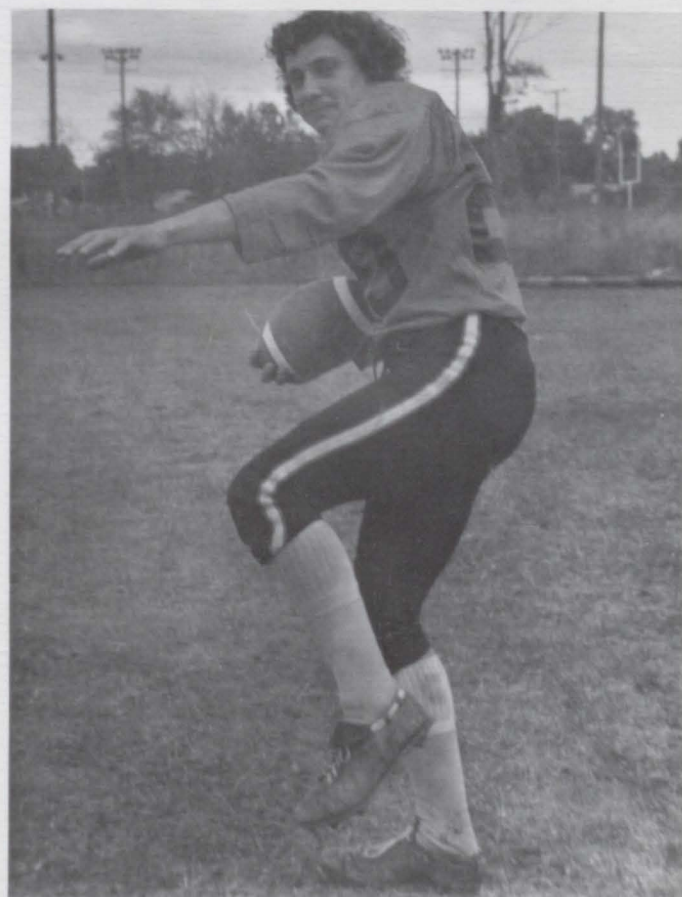

The Mariner football team really got off the ground this year. They ended their season with a 5-4 record. Leading them to their winning season was Junior Brian Zimmerman, top right. Brian was elected to the All Area defensive team, the All League defensive team and was voted Defensive Player of the Year by his teammates. Brian also led in tackles throughout the season.

Another reason the Mariners came out ahead was Loren Lowe, right. Loren, a senior was also chosen as a member of the All League team and was voted the team's Most Valuable Player.

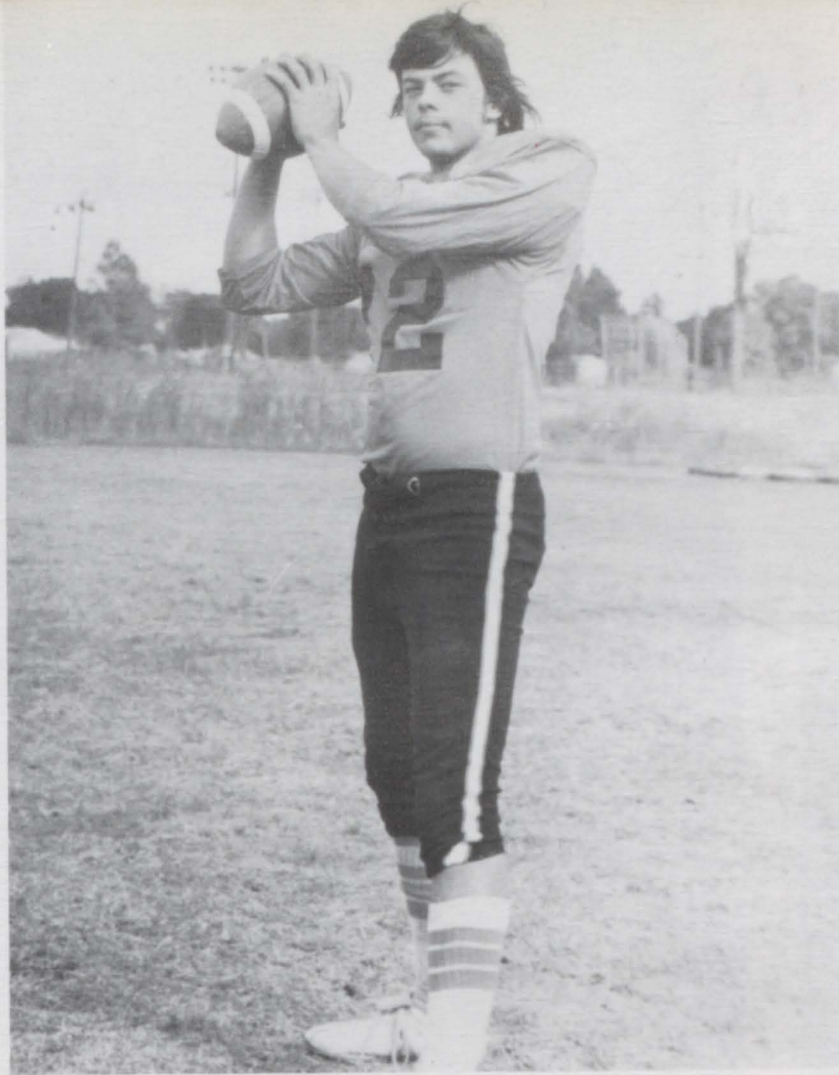

Senior Bill Thompson, opposite page, was voted All League Honorable Mention for his excellent passing as quarterback this year. Bill was honored as Offensive Player of the Year by his teammates.

To top off our winning season Coach Warkentien, in his second year of coaching football at M.C.H.S., was selected Coach of the Year by the Port Huron Times Herald.

Marine City also had a winning Cross Country team. The star of this team was John Markel, opposite page. John took first place in every dual meet he ran. Also, he was All Area and All League. John placed fifth in the State Regional and 17th in the State Finals.

*We're Number 1*

# *Sharp Shootin' Giants - League Champs*

1. Scott Currier works his way in for another two points.
2. Rob Carpenter grabs another rebound as he draws a foul from one of the Big Reds.
3. Jim Bradshaw overpowers and outmoves one of Marysville's key defensive men.

"We're No. 1, We're No. 1." This was the chant that was heard at every game throughout the season, as Marine City became league champs. Towering over the competition the mighty Mariners finished the season with an 18-2 record. Before the season started, the "S.C.A.L. Giants" were rated No. 2 by the area coaches. Port Huron High was rated first and they were scheduled to play us in a non-league contest the second game of the year. The Mariners showed their pride stealing first from the Big Reds 60-55. The No. 1 spot was now in sole possession of Marine City. The same week the Mariners hung on to a slim lead defeating former league champs Cros-Lex, 48-46. Jim Bradshaw scored 29 points keeping the Mariners' winning streak alive.

Then it came, Friday the thirteenth and a big game against a fired up Chippewa Valley team. The Mariners survived a full court press, due to Rocky Moody's slick ball handling. "Mr. Clutch," and Rob Carpenter scored 22 points each. Three starters fouled out and the Mariners' depth paid off. Coming off the bench Tony Currier scored 7 points and Bill Thompson added 5, with Randy Bradshaw playing some great defense.

This year's super team, beginning with the front row; John Kardasz, Rob Carpenter, Coach Gene Gunderson, Bill Thompson, Drew Flemming. Going up; Roger Kierszykowski, Tony Currier, Randy Bradshaw, Rocky Moody, Jim Biewer, Doug Robb, Jim Bradshaw, Russell Schutt, Scott Currier and Mark Galvin.

Ever since we beat Chippewa Valley the first time around, they were waiting for us to try it again. And it paid off. In the final seconds of our 2nd game with them, they made a shot which gave us our first defeat (65-64). Even though we lost, Jim Bradshaw scored 36 points. This skill Jim has acquired is the reason he led the league at the end of the season, with 24 point per game average.

This loss didn't bother us. We zoomed right by Capac the following week. But the week after that we lost a disappointing match against Marysville. We fell into foul trouble at the end of the game to give them a (72-65) advantage. This didn't let us down. We won the rest of the games in the season, plus the league championship.

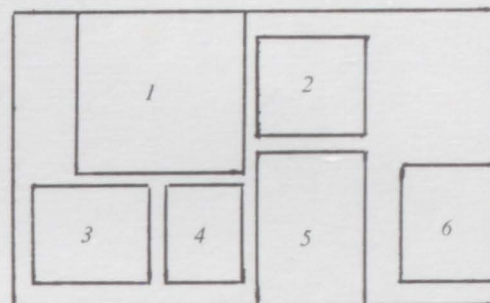

Finally, the tournaments were upon us. We started off against Algonac. We overcame their stall, and won (14-12). Then came Richmond, who also tried the stall technique. It almost worked, and they sent us into overtime. With 30 seconds to go Jim Bradshaw made a jump shot to clinch our win. Next came the finals against Marysville. The Vikings took an early lead and kept it the rest of the game. 1600 people watched Marysville defeat us (53-51).

## Hot Mariners Explode!

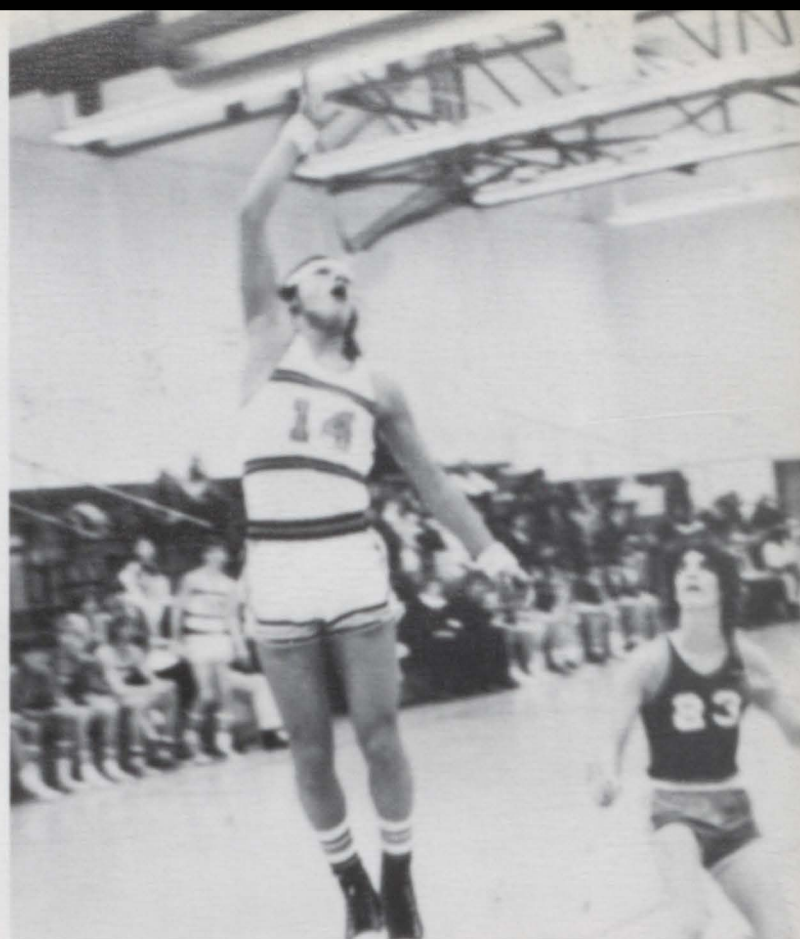

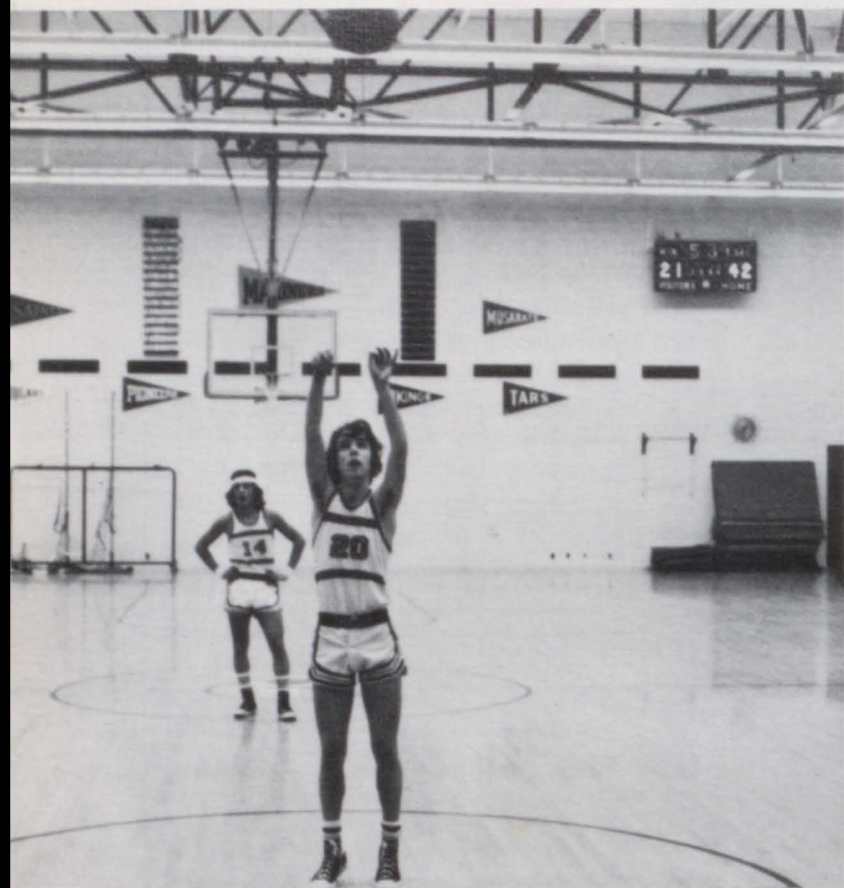

1. Tony Currier dribbles upcourt so fast that his opponent doesn't even see him.
2. Jim Bradshaw seems to never miss, as he shoots for two.
3. "It's mine, It's mine", cry Doug Robb and Rob Carpenter, as Viking defenders try to keep them from rebounding.
4. Rocky Moody boasts, "Watch me catch this pass with my eyes closed."
5. "Get your hands off me you big ox," yells Bill Thompson to his opponents.
6. "Hey, hey, hey, I'm on my way", exclaims Randy Bradshaw as he dribbles the ball through his legs, on his way upcourt.

## *Dunker's Defenders - Dynamic*

The Marine City J.V. basketball team took a respectable 3rd place in the S.C.A.L. with a 12-8 record. With the height of Daryl Wilde and Dan Walls, the speed of Chuck Ladensack and Rick Charboneau, and the aggressive defense of Bill Westerhof, the J.V. team had great success under the fine coaching of Mr. Steven Dunker.

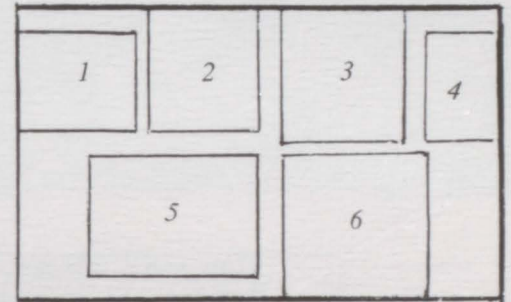

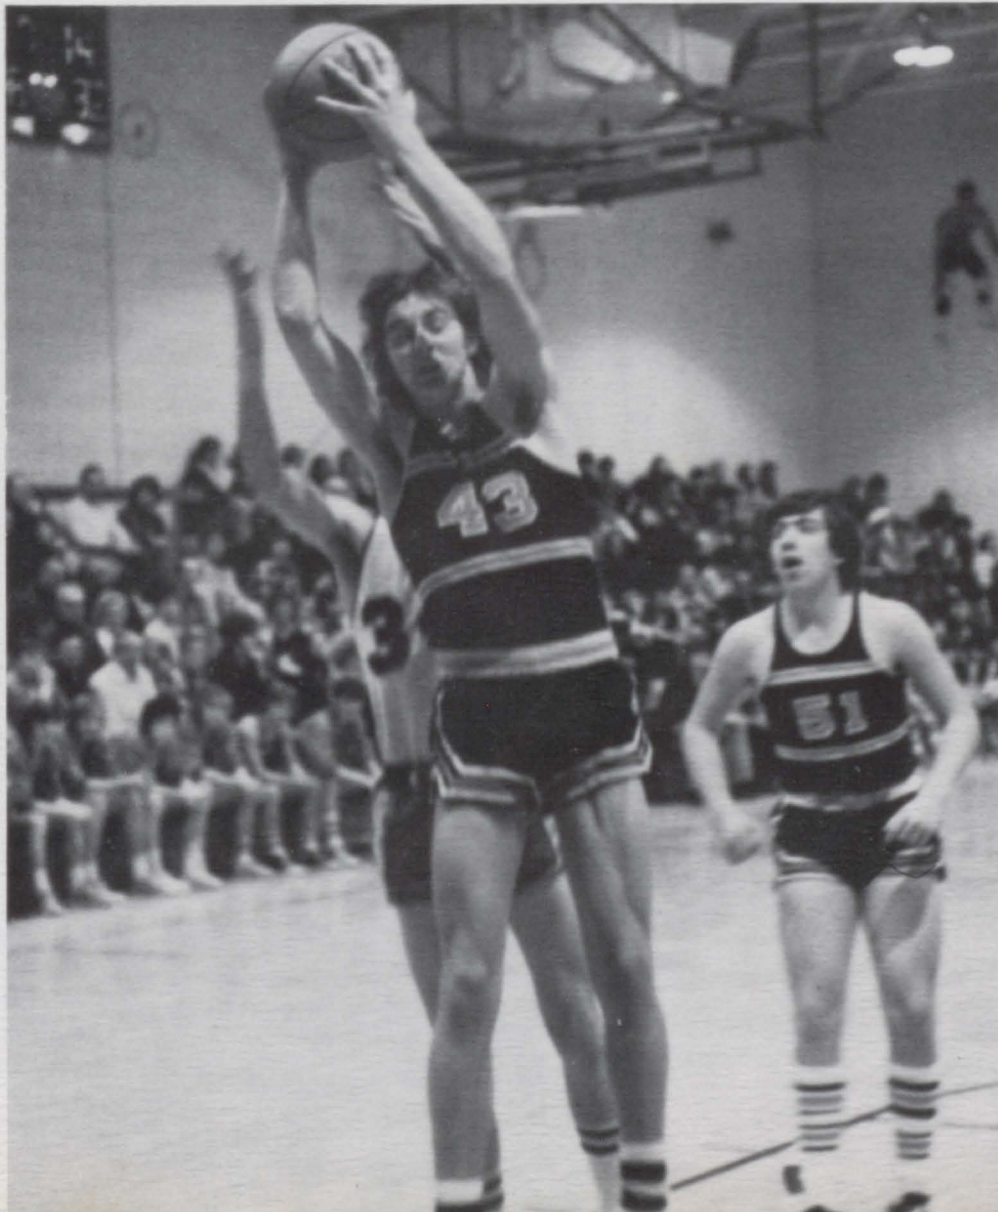

The opponents this year were really tough, especially Marysville. The J.V. Mariners came out fighting hard the first time they played the Vikings but took a frustrating loss (47-37). Then in the second match the J.V. blew them off the boards with a walk away game scoring 59 points to their 34. In some of the battles, the mighty cagers appeared to be down at the half but came out ahead in the end to win.

Dan Walls was the team's best rebounder and leading point man. The leading defensive player was Bill Westerhof, with Rick Charboneau the fast floor guard. Daryl Wilde and Chuck Ladensack were the play making forwards.

Really handy on the bench when the J.V. got in tough spots were Ron Ramirez, Wayne Biscorner and Joel Bell. Next year's Varsity competition will be aided with the fine talent displayed by all these players.

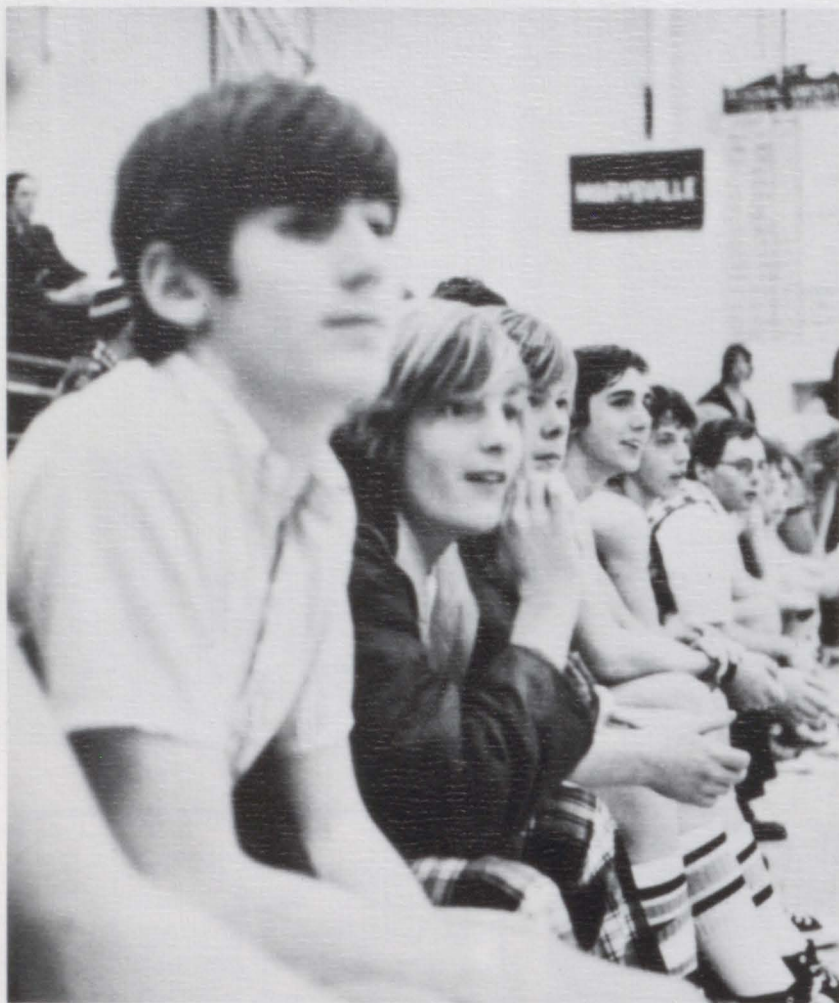

1. Rick Charbeneau throws in another one of his many free throw shots.
2. Ronny Ramirez drives through for an easy lay-up.
3. Hustling through another winning season were Coach Steve Dunker, Dan Walls, Daryl Wölde, Paul Duetsch, Wayne Discorner, Bob McCollister, Rex Jones, Bob Shattuck, Rick Charbeneau, Bill Westerhof, and Ron Ramirez.
4. Chuck Ladensack out-plays his opponent to get the ball up and through the hoop.
5. Shooting from the outside Bill Westerhof lets go for another two points.
6. Astonishing the crowd, Dan Walls snatches the ball for another rebound.

## *Frosh Exploded*

# *Mini Cagers Sparked and Ignited*

*This year's freshman team had a very good year. They had talent, dedication, and especially character.*

*The nucleus of the team was made up of Bob Parmentier, Shawn O'Rourke, Jerry Currier, Duane Suess, Bob Tranchmontange, Mark Recor, Steve Andrews, and Dean Galvin. All fifteen members contributed greatly to the fine success that the whole team enjoyed.*

*Shawn O'Rourke was the team's best offensive player. Leading defensive and rebounder was Bob Parmentier. Frisky Jerry Currier was the floor guard that made things happen.*

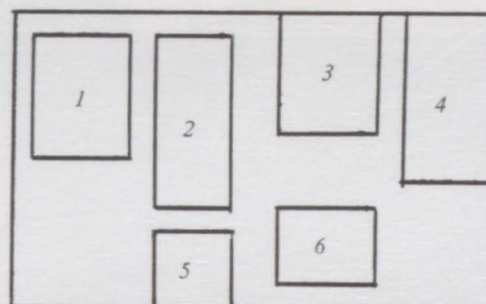

*When Coach Durow was asked about his team he said, "It was a great privilege for me to coach this group of fine young men. I feel that they should have great success as they progress through high school. Marine City's athletic future should continue to be excellent with this group of great guys."*

Helping each other for two points are from bottom to top: Bob Parmentier, Shawn O'Rourke, Bob Montange, Duane Suess, Dean Galvin, Jerry Currier, Tom Reichle, Tom Emig, Vince Fordt, Jim Endres, Jon Stangel, John Endres, Jeff Nugent, Roy Sanchez, Steve Andrews, Jeff Kaiser, Bob Williams, and Mike Klieman.

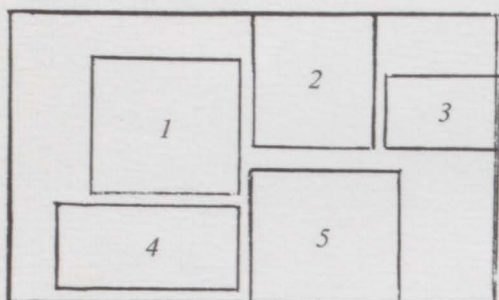

1. Marvin Kaatz, Jeff Nugent, Shawn O'Rourke, and Jerry Currier look on in amazement at the frosh game.
2. "Anybody for leap frog?" asked Duane Suess.
3. 1975 Freshmen S.C.A.L. champs.
4. Shawn O'Rourke wonders if Bob Parmentier's shot is a bird, a plane or ...
5. "I can jump higher than you can," yells out Bob Parmentier.
6. Bob Tranchmontange and Duane Suess wonder where the ball went.

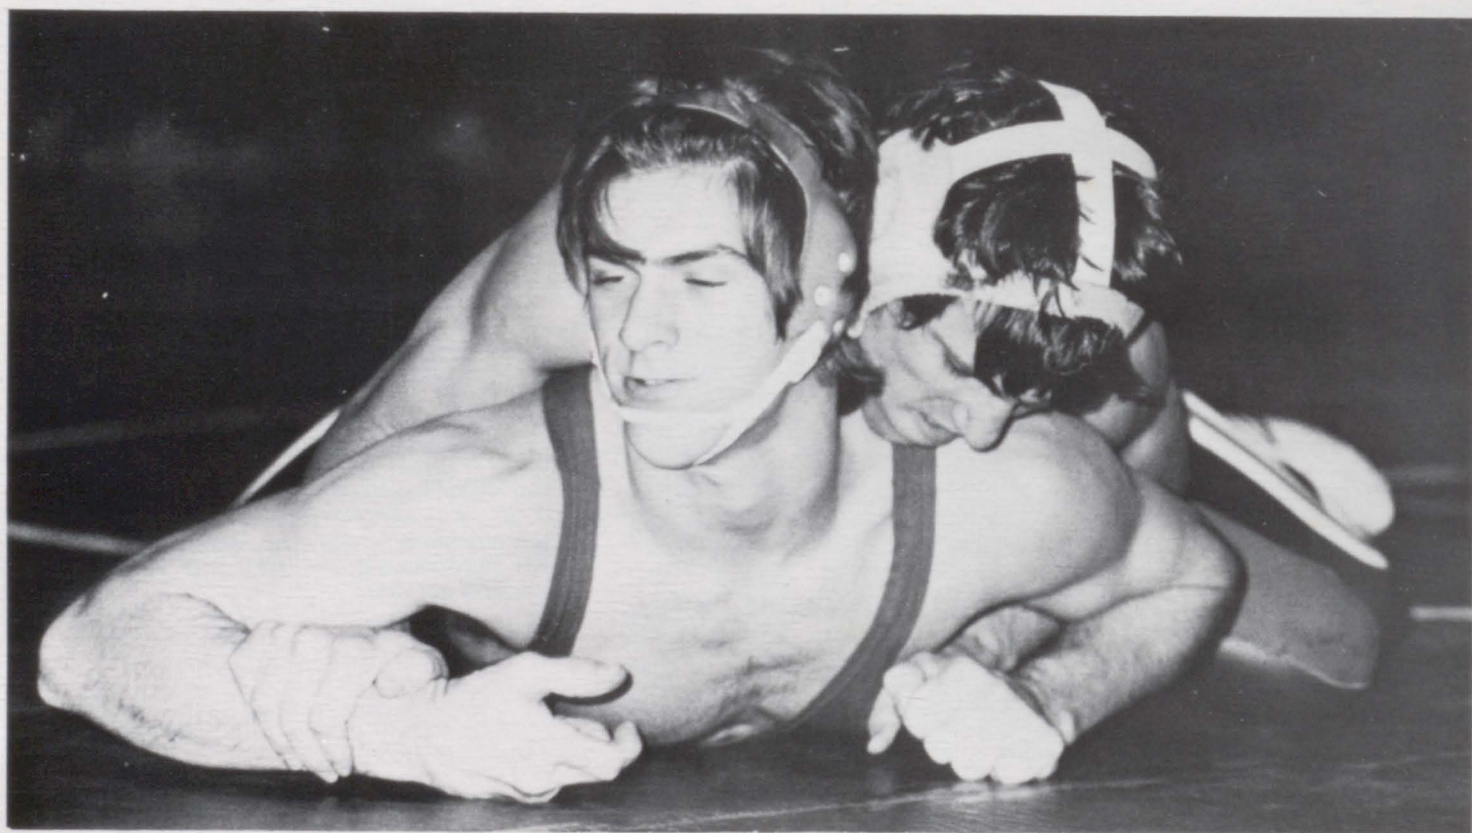

*Effort, Endurance, Experience*

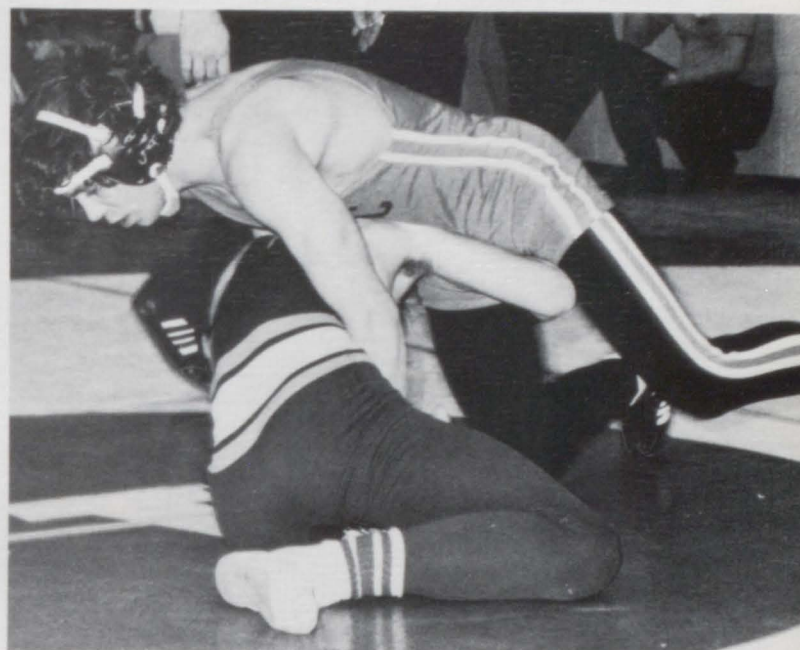

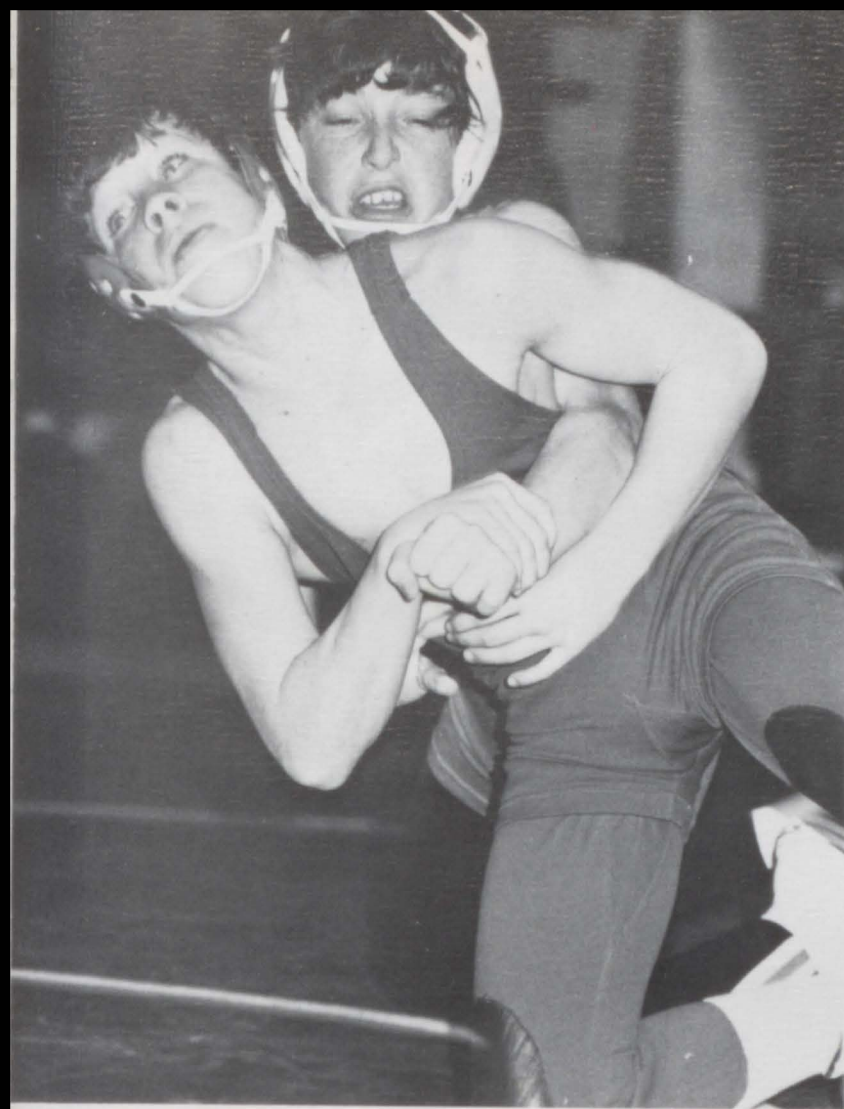

## *Grapplers' Performance - Great!*

1. "Is all this pain really worth being a wrestler?" asks Shawn Smith.
2. Freshman Mike Kammer really puts the squeeze on his opponent.
3. Senior Dick Markel chalks up a couple more points for the Mariners as he pins another opponent.
4. When it comes to wrestling Jim Speer proves he's always on top.
5. The Mariner matmen are Dave Levandusky, Jim Axmacher, Larry David, John Bassett, Bill Marrs, Mike Decker, Kelly Smith, Dennis Genaw, Chris McKenzie, Jim Speer, Tim Griffin, Steve Markel, Tony Dewitt, Tim Markel, Jeff Kaiser, Dick Markel, Craig Boulter, Mike Kammer, Jim Holcolm, Dave Micoff, and Shawn Smith.

*If there was only one word to describe this year's wrestling team that one word would be "Outstanding." Counting calories is a way of life with the wrestlers, since a weigh-in is required before each match. A common complaint might be, "OH OH, I think I ate too much over the weekend."*

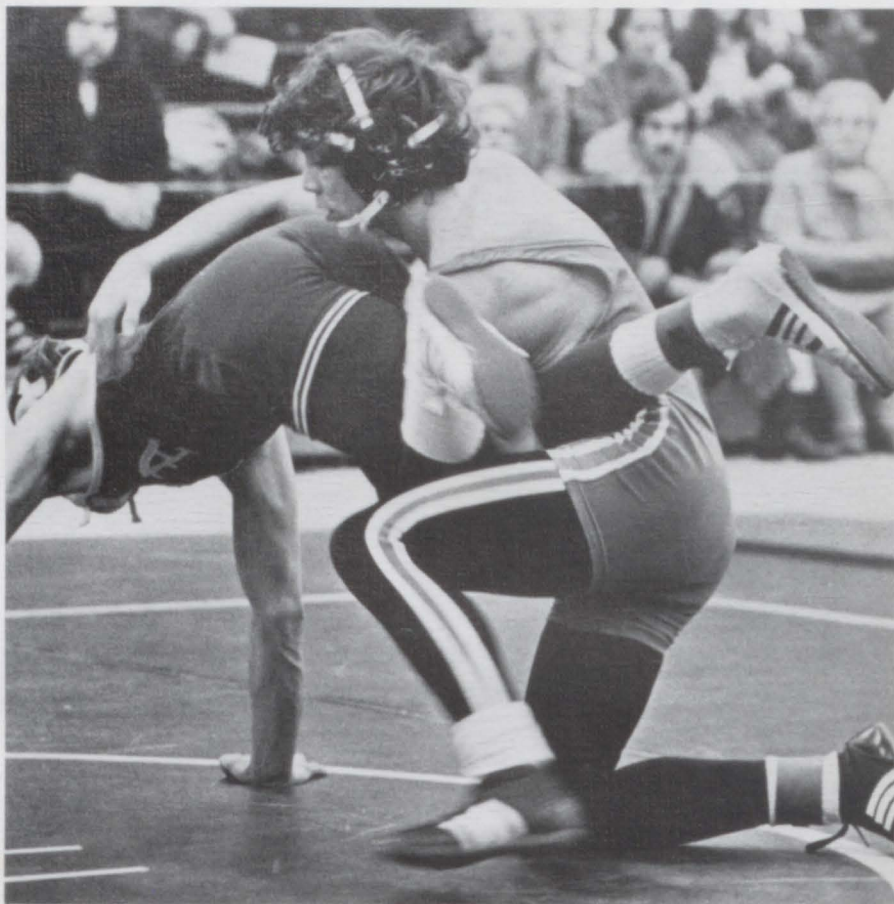

*The Mariners reversed their usual meager season and went on to capture more and more individual and team honors.*

*Senior grapplers Jim Speer and Dick Markel seemed to always dominate the mats. Jim proved his superior ability by advancing to State Competition. He placed 6th in the 167 lb. weight class. The team performed well in all tournaments and Invitationals and ended up with a respectable 7-9 record.*

*From the looks of some of the J.V. wrestlers, it seems there will be enough talent and desire to have another great season again next year.*

# Mariners On Top - All The Way

This winter the Mariner Varsity basketball team came out on top of the S.C.A.L. with a 12-2 league record. Three talented seniors, Jim Bradshaw, Rob Carpenter and Scott Currier, received honors for their outstanding abilities.

Senior Jim Bradshaw, averaging 23 points and 14 rebounds a game, was a unanimous choice for the S.C.A.L. All Stars. He was also chosen as a member of the All Area first team and the All State class B second team.

Rob Carpenter and Scott Currier, both seniors, were elected to the S.C.A.L. second team. Rob had a great season playing guard. Scott was an excellent defensive player and played good ball all year.

The wrestling team had two fine senior participants this year, Jim Speer and Dick Markel. Jim was the S.C.A.L. champion at 167 pounds and went on to place 6th in the class B state tournaments. Dick was the S.C.A.L. champion at 138 pounds, but was upset in the regional tournaments.

Marine City track team broke a tremendous amount of records during the 1974 season. With a lot of skill and pep, Loren Lowe broke the 120 yard high hurdles with a time of 15.9. The two mile run record was reset by John Markel with a fantastic time of 10:05.3. Team work and a lot of enthusiasm also took over another record in the mile relay performed by Bill Thompson, Loren Lowe, Brian Zimmerman and Tom Benoit with a time of 3:37.8. In the league, the thinclads were 5-2 while overall they were 7-2. With their great team work this should bring about another victorious season.

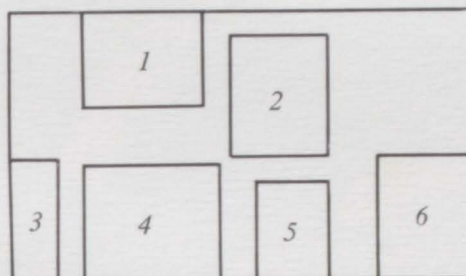

The track returning lettermen from bottom to top are John Markel, Vince Reynolds, Jim Speer, Dick Markel, Coach Dunker, Loren Lowe, Mike Decker, Tim Markel, Bob

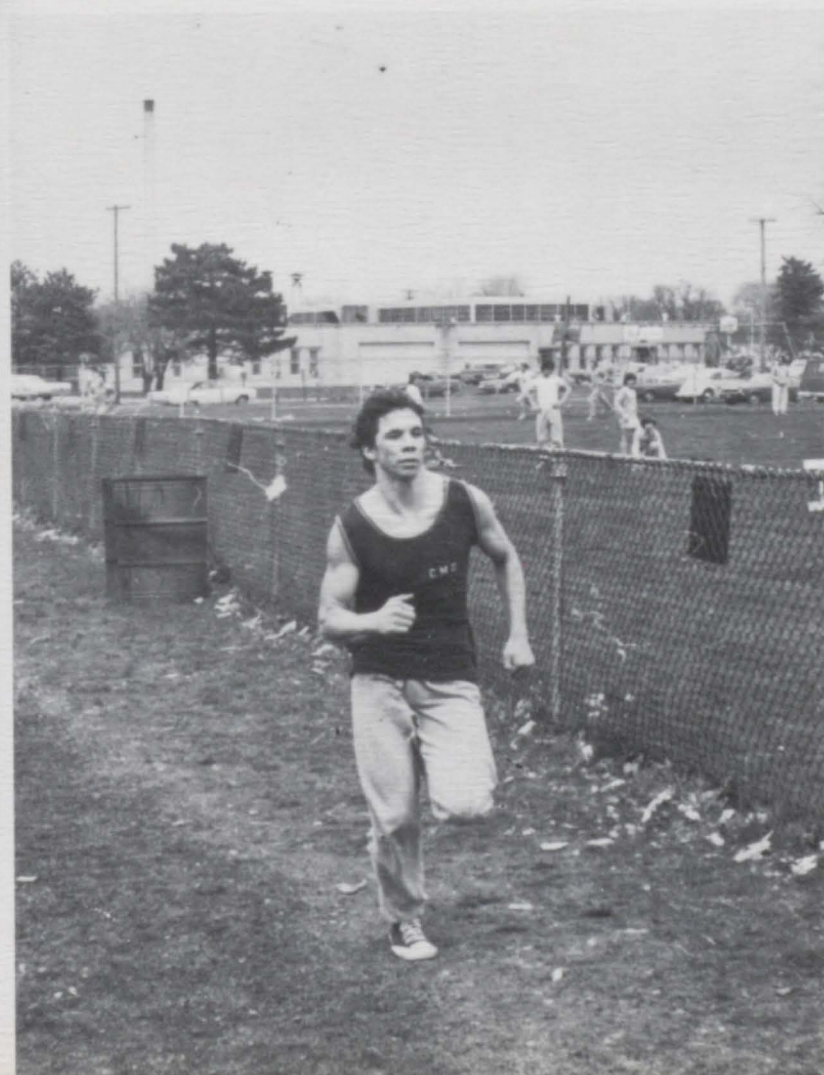

Moldenhauer, Jeff Britz, Dave Mason, Randy Bradshaw, Bill Simons, Tony Currier and Daryl Wilde.

# Clear The Way Thinclads - Movin' On Up

1. Are you up for a race? Marine City track team is always up front.
2. Coordination is the main ingredient in pole vaulting.
3. Team picture.
4. Tim Shackett looks as if it's a great struggle to the finish line.
5. From the expression on Dick Markel's face he has the race wrapped up.
6. A lot of effort is put in by Jim Speer as he sails the shotput into the air.

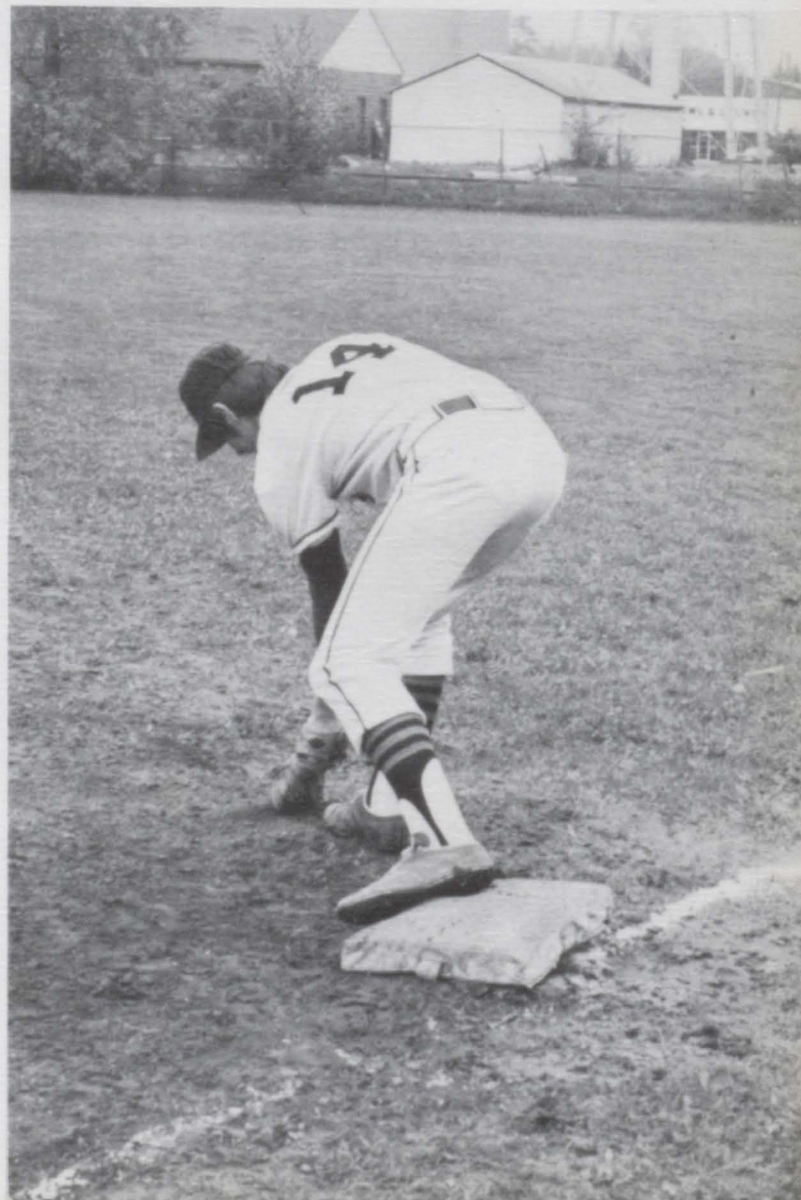

# Strike Three - You're Out!

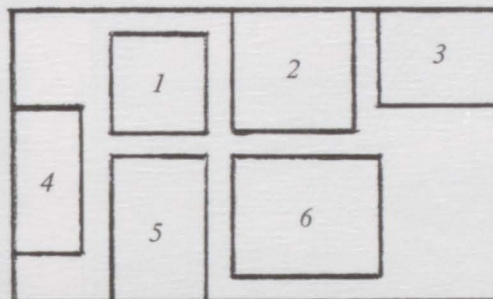

Springtime rolls around and guys start polishing their shoes and greasing their stiff gloves. Bats and balls are taken out of hiding and the cob webs are dusted off for baseball spring practice. The boys start exercising on the muscle builder and running around a muddy baseball field to get ready for a season of hard fought games.

This years mound men batted up against some very tough teams, landing with a sad 4 win, 12 loss record. They had the lowest batting average of any year: .198

Jim Bartell was named the most valuable player, with the best batting average of all his teammates.

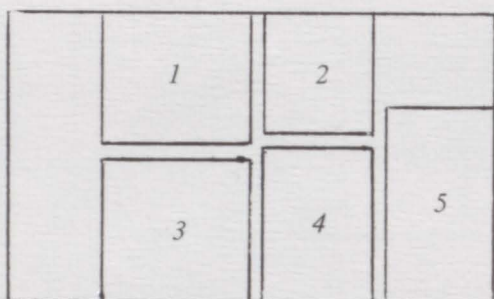

1. It's the bottom of the ninth, score tied, and Jerry Charboneau brings in the winning run.
2. John Kardasz takes a little time for playing catch to warm up for the upcoming game.
3. The opponent may be safe, but he was kept from stealing second base.
4. Sitting on the bench hoping their teammate will get a hit are: John Kardasz, Drew Fleming, and Mark Streitz.
5. That's three outs as the opponent goes down in defeat, with a grounder to Doug Robb.
6. Jerry Charboneau's mean eye does the trick for his pitching arm.

*Sock It To Em'*

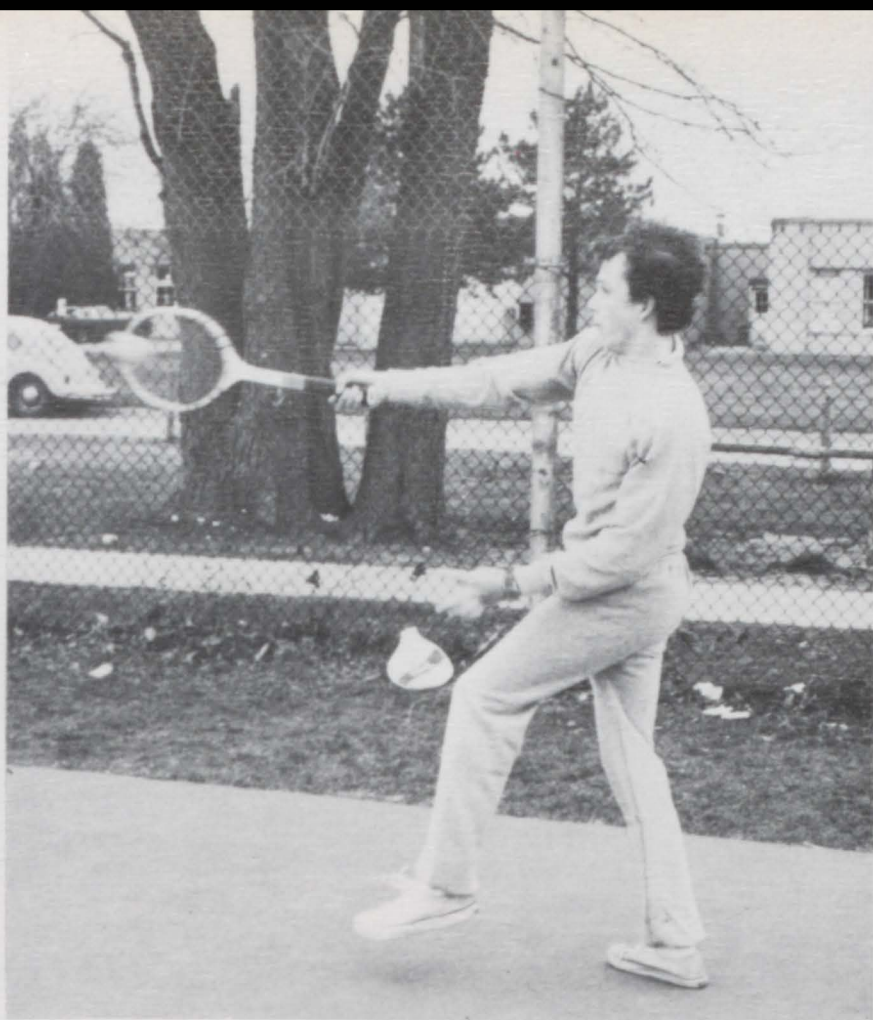

# *Tennis Team Stomps Onto Victory*

1. What style... What form... as Wayne Shagena blows his opponent off the court.
2. From Lee Knight's expression, it looks like it's going to be a hard match.
3. The mighty Mariner's team picture from left to right are, Debbie Kammer, Steve McConnel, Joel Bell, Bob Shattuck, Coach Newcombe, Don Benoit, Wayne Shagena and Dan Griffin.
4. Linda Rudolph bites her lip as the ball sails over the net for a score.
5. Dandy Don Benoit looks like he's got the game wrapped up in his racket.

*Hard work and desire helped improve the 1974 tennis team. As a smashing spring sport, tennis is growing rapidly in popularity. The team was young but tried hard to win. The most outstanding and exciting match was with Almont as Marine City shut them out with a 7 to 0 victory. Many returning lettermen show promise in helping to lead the tennis team onto more victories.*

Marine City High School came out on top last spring. The track team came through with a lot of wins and broke three school records in the process.

Senior Loren Lowe, top opposite page, broke the High Hurdles record. He ran them in a super 15.9 seconds.

Another senior, John Markel, opposite page bottom, is an excellent long distance runner. John shattered the two mile record by running it in ten minutes and 17.2 seconds.

The mile relay record was also changed last spring. Two seniors Bill Thompson and Loren Lowe, and junior Brian Zimmerman clocked the mile in 3 minutes and 37.8 seconds.

After batting a .294 average the baseball team elected senior Jim Bartell, right, as their Most Valuable player.

# *Gals Gain New Skills, Endure Season*

1. Michelle Valla springs from the floor, putting the finishing touches on another point for Marine City.
2. Poppin' fresh out of their hot lockers, the flashy varsity team: Debbie Brown, Joyce Griffor, Diana Wiinikainen, Rosanne Lozowski, Sandy Parcell, Tammy Parcell, Michelle Valla, Melinda Berry, Debbie Kammer and Coach Martha Lownsbury.
3. "Winnie" puts the whammy on, as she soars into the lights to block another jump shot.
4. Driving toward the basket, Debbie Kammer hustles to out muscle an opponent, before laying in 2 more points.
5. Joyce Griffor snatches the ball from a crowd of bewildered Big Reds.
6. Kim Itrich eyes the basket, ready to fly over the rim with her famous slam dunk.

*The Girl's Varsity team this year wasn't very impressive. They only won three games. That's not important. To the girls, winning isn't everything. They play basketball for the enjoyment of the sport and the fast action of competition, also for the opportunity to take part in after school activities.*

*There were many set-backs for the team, lack of height and experience were the main factors that led the team to a 3-13 record.*

*Seniors Debbie Kammer and Joyce Griffor demonstrated fine leadership and basketball ability. Coach Martha Lownesbury hopes to improve next year's record especially by utilizing the talents of Michele Valla, Diana Wiinikainen and Jeannie Kaye in the starting five line up.*

# JV Sparks Up Winning Season

The sparky J.V. Basketball team is: Vickie Sharrow, Jean Polio, Wendy Tomlin, Pam Leitch, Evie Southard, Coach Sue Meisner, Kay

Chamberlain, Joan Griffor, Lynn Wilkerson, Mary Drinkard, Carol Burman, Candee VanWormer, Sue Wiinikainen and Renee Blake.

Superb players and fine sportsmanship made the 1975 J.V. Girl's basketball team tough to beat. Their 10-6 record proved that a winning combination brings success. Above, Sue Wiinikainen prepares to accept a pass as Anchor Bay closes in. Right, Vickie Sharrow shows off her scoring style by dropping in another two points.

## *MC Spikers Volley For Victory*

*This was volleyball's first season at M.C.H.S.. Although their record wasn't the greatest, between Tammy Parcell's serving and Michelle Valla's spiking, the team carried off 3 wins. Coaches Sue Meisner and Kathryn Kimmet demonstrated great leadership. Between them both they are planning a bigger and better season next year.*

*The servers and spikers are: Michele Valla, Diana Wiinikainen, Karen Schweihofer, Wendy Kellehan, Alena Whitehurst, Carolyn Johns, Linda McNiff, Joan Griffor, Sandy Parcell, Vickie Sharrow, Jill Lozon, Kelly Brown and Tammy Parcell.*

*The 1974 girl's track team really came up in the world last season. With much practice and alot of time and effort, many of the girls won medals and ribbons.*

*The track team is only in it's second year of existence but have done a super job. They defeated New Haven which is a school well known for it's excellent track team. They also placed 17th over all in the state regionals out of 32 schools.*

*Michelle Valla did a fine job helping the team out. She set the school shot put record for girl's and qualified for the state finals in Grand Rapids. Kim Itrich and Debbie Wolf also pulled in some ribbons in the mile and in the hurdles respectively.*

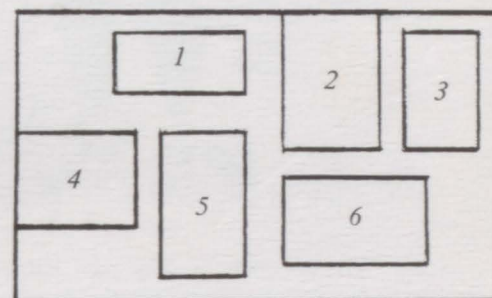

*Most of the girls on the track team were underclassmen, so Miss Lownsbury is looking forward to another great season.*

## *Girl's Track - "Super Bad"*

1. Kim Itrich finds that long jumping can be easy, if you work hard at practice.
2. Did you ever throw the shot put? Ask Jody Reynolds, its not to easy for a girl.
3. In a hundred yard dash Joni Mitchell puts on her converse all stars and flies!
4. Jeannie Kaye and Debbie Wolf, finally get their hand offs straight. It only took two weeks of practice.
5. "I don't think I can make it," thinks Melinda Berry as she runs the 440 yard run.
6. Team Picture

Girl's Track: Jill Knechtel, Jody Reynolds, Kathy Walters, Joan Griffor, Melinda Berry, Debbie Wolf, Bev Volkman, Joni Mitchell, Miss

Lownsbury, Karen Fielhauer, Beth MacLeod, Diana Wiinikainen, Michelle Valla, Pam Ames, Joyce Griffor and Lynn Wilkerson.

## Girls' Spirit Scores High

"You've come a long way baby," certainly applies to girls sports at M.C.H.S. Since 1970, the building up of the teams has proven that guys aren't the only ones who excel in sports. An agenda of Volleyball, Track and Basketball proves to be a hard row to hoe but they pulled through. Even through the stiffest competition the girls did their best. Although their winning streak hasn't been the best we know it's not that you win but how you play the game.

*Student Government members missed seeing many exciting Mariner victories, while they served food to chase away the munchies at the concession stand.*

*Way back in September, when the rest of the school had not begun to think about Homecoming, the Student Government was one step ahead. Because of early planning for ballots, a theme, and a band, Homecoming was a great success.*

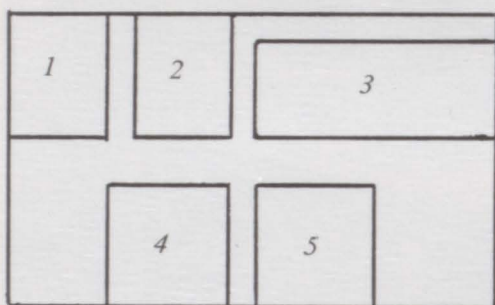

*However, with every success there is also a failure. Students had given their support of a Valentine's Dance in a poll, but when the actual event arrived, few people bothered to purchase tickets. In the end, more people wished they would have attended when they heard how great the band "Bits and Pieces," was.*

*Once again, the talented people in the school got the chance to see what it felt like to be stars, in the annual Student Government Sponsored Talent Show.*

## *Brains - Think About It*

1. Each member takes his turn at lighting his candle which formed the National Society Crest.
2. Anita Smith and Jim Bradshaw take a break after the long ceremony.
3. "Gee, I didn't think you were smart enough to be in the N.H.S.," Lori Markel says to Mary Burman.
4. Pres. Jim Speer, Vice Pres. Lynn Wenning, Sec. Debbie Kammer, Miss Bethany Radtke and Mr. Garey Harvey take time from their busy scholastic schedule to plan the May tea.

Membership in the National Honor Society can be obtained with determination and high grades. Students are judged on their leadership, participation in class and other school activities. Also, a sophomore needs to get a 3.5 (A-) average, a junior or senior needs a 3.0 (B) average. Five percent of the sophomore class, ten percent of the junior class and fifteen percent of the senior class can be elected as members.

In May, an induction ceremony was held in the school. Members, parents and faculty attended the ceremony and the tea held afterwards.

## *Skiing - Fun on the Runs*

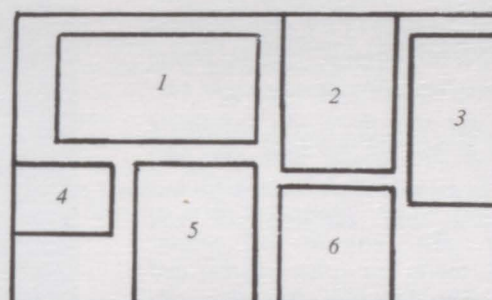

*Amid the frequent trips to Pine Knob, Black Forest, and Mt. Grampian, members of the ski club have been learning the fun of flying (or falling) down the slopes.*

*Most of the kids felt that the hardest part of skiing was getting untangled from the other arms and legs that you dragged down with you, while others thought staying with the tow rope without getting your hands torn off was the most difficult.*

*Blue Mountain, Collingwood, Ontario, was the scene of the fun-filled ski-weekend this year. The kids were treated to crisp, clear skies and an abundance of the white powder. Shouts of laughter and the cry of a few prides being damaged, proved these happenings to once again become a roaring success.*

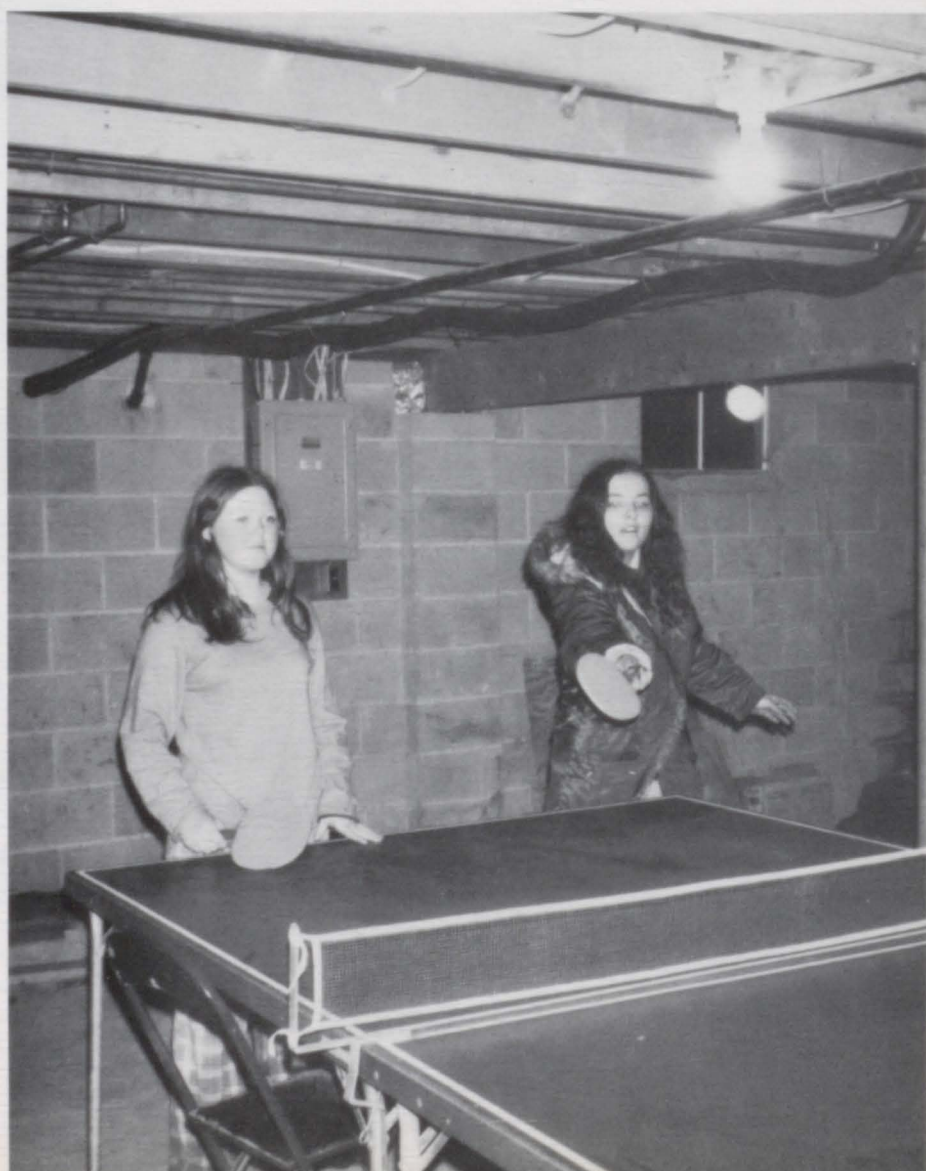

1. Ready and willing to go, members of the ski club prepare to ride off into another day of slipping and sliding down the slopes.
2. "No way!!" screams Jim Speer, as he prepares himself for a double-decker ride with Nancy Parcell.
3. The smiling faces of our ski crowd let us know just how fantastic the ski-weekend was.
4. Joe Kardasz is caught wondering whether he'll make it up on the tow rope THIS time.
5. "What did I ever do to deserve this?" wonders Mr. Goldwin Smith, finding his hands full trying to make sense out of the ski club's many antics.
6. "Hey, look ma, no broken bones - yet!!" exclaims Lee Knight after completing a successful run.

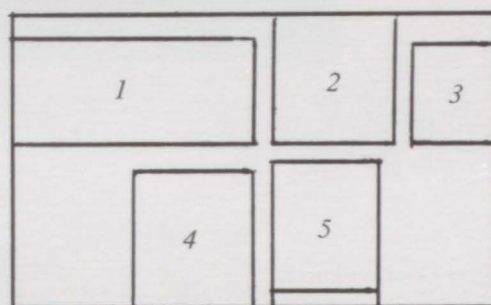

## *And Away We Go!*

*Looking for some fun or something to do other than watching T.V. or doing homework? Well, if you were one of those smart people who joined the Outing Club you would have found the something you were looking for. Mrs. Galvin, the sponsor of the club, planned many different outings, one to please almost everyone. For those people who liked to get wet there was swimming and sailing. But, if you were one who liked to be outside in the cold there was ice skating and caroling. If you preferred the warmth of indoor activities, there was roller skating and bowling. The activities that they did were well attended and well liked.*

2. Fred Smith assists Julie Gramer putting on her roller skates for the big night ahead.
3. "Look at me, I hit the ball!" Mary Gabel laughs.
4. "I think I've got it!" Debbie Schwartz yells to Connie Siegler.
5. Evie Southard and Sandy Parcell wait anxiously for their turn at the diving board.

## Lights, Camera . . .

"Smile, you're on Candid Camera!"

"Say cheese!"

These are just two of the requests you hear around school from the people in the photo club. They take, develop, and print their own pictures. The photo club is made up of students from both journalism and yearbook classes. They also take pictures for the Log and the Mariner. The advisor of the photo club is Mr. Walker Archer. Below, adjusting the F-stop on the Yashica camera, Joan Britz demonstrates one of her many photographic abilities.

The Log staff is always on the job reporting their 20-20 news. The school paper, which is produced by the journalism students, comes hot off the press once a month. The editor of the Log is Melinda Berry, assistant editor is Kari Gervais, and the advisor is Mr. Walker Archer. This year's Log had a lot of new and interesting articles. It also had two more pages for the same price of only fifteen cents. Opposite page top, "I'll never be assistant editor again," exclaims Kari Gervais as she is glad this is her last year. Geri Coussens can't figure out how to spell antisestablishmentarianism for her interesting copy.

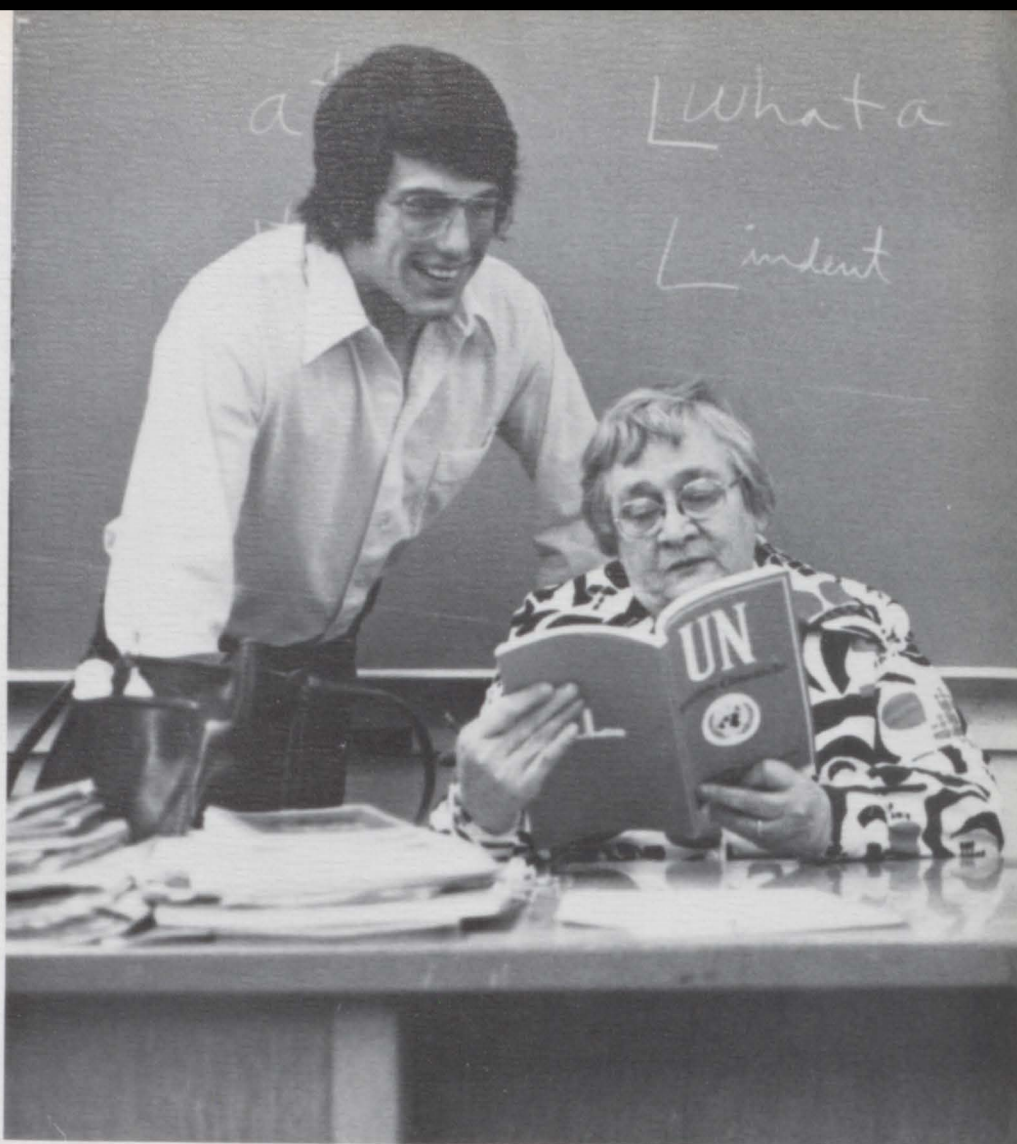

## *I've Got It I've Got to Report It*

The United Nations Club under the direction of Mrs. Grace Zapel has as its purpose to better relationships with individuals throughout the world. The members have traveled to the U.N. Building in New York and Washington D.C. to achieve understandings of world affairs. Pictured right are Jim Speer and Mrs. Zapel discussing today's controversial affairs.

The Positive Mental Attitude Club (locally known as "hall monitors") consists of forty students out of study hall to keep records of the traffic patterns in the hall. Anyone could easily be stopped at one of four stations to give his reason for being out of class. The officers for the P.M.A. this year were President Mike Decker, Vice-president Fred Werden, Treasurer Jim Blake and Secretary Norman Jones. Top right, Betty Smith and Rhonda Hostetter wait patiently for a new victim. Far right, Randy King claims that having lunch third hour is just as good as waiting until fifth hour. Bottom right, passing by Beth MacLeod and Pam Gill, a person without a pass receives a violation with a smile.

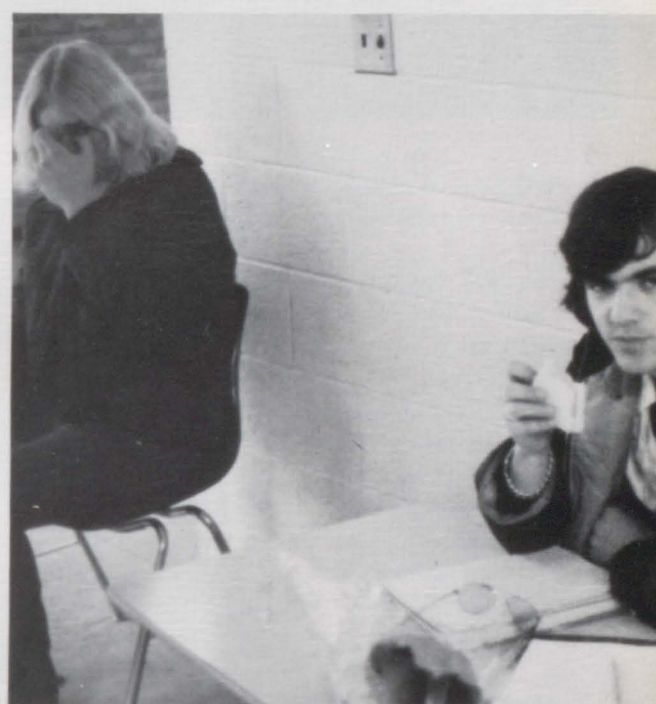

## U.N. - Understanding World Problems

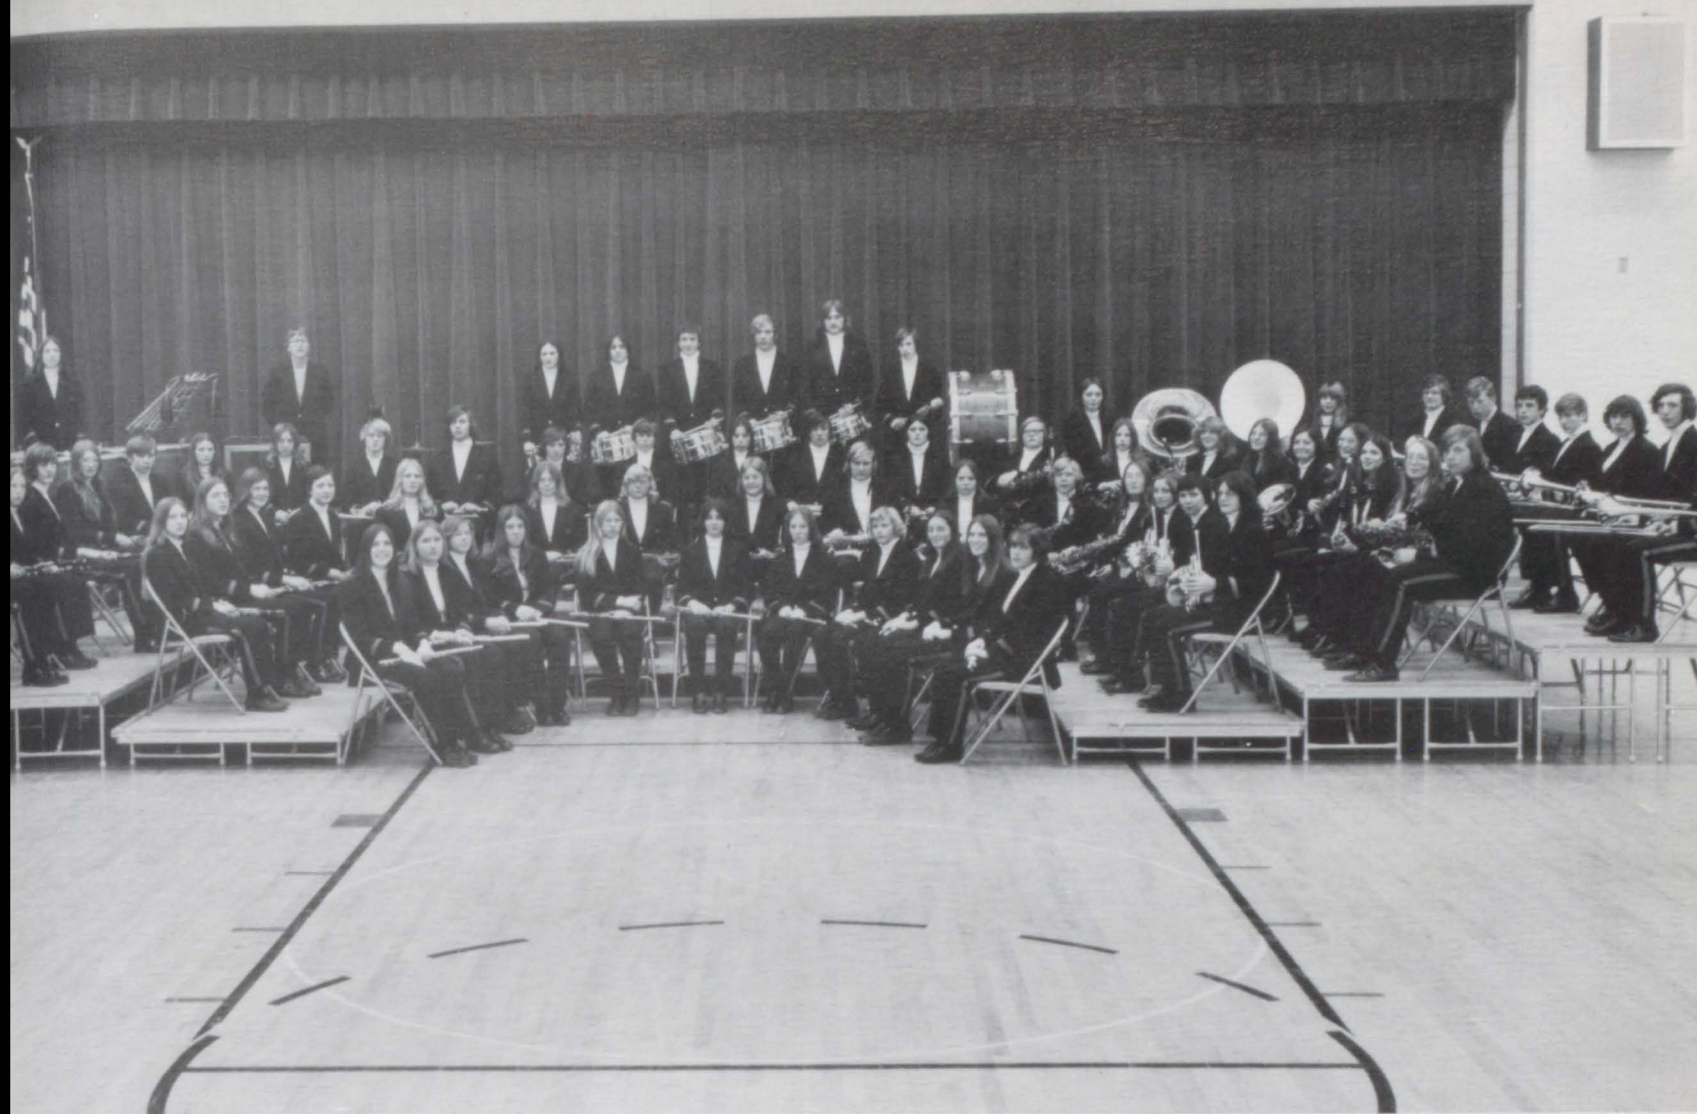

# *Got a Pass?*

## *Play It Again, Mariners*

The band got off to a crashing start this year when they took first place in the Richmond Good Old Days Parade.

Our drum major, Tammi Maitland, lead the band at every halftime show and parade. Displaying their new talents such as dancing, special effects and straight lines, the band put on fantastic half-time shows. A salute to Walt Disney and excerpts from motion picture scores were but two of the themes performed this year.

The band also performed in two concerts, one at Christmas time and one in the spring. They played a variety of songs from classical to pops. For a different effect, instead of entering the gym in a conventional way, they marched in from the sides to the center of the gym.

Opening every pep assembly was the pep band playing our school song. The band played a variety of songs for the peoples enjoyment that added some class to the Basketball games.

All the practicing and hard work they did to reach perfection took place in the band room everyday during 4th hour. Rain or shine, Miss Jean Bastian, the director of the band, rehearsed our marching Mariners for the parades and halftime shows they performed in.

# Melody and Harmony Get It Together!

The term "practice makes perfect" was followed as the Chorus sang their way through another great year. Their performances included the popular songs of today and the great classical works of all time.

Some of their highlights were the Christmas and Spring concerts, an assembly in school, and participation in vocal contests.

Debbie Allison was 1 out of 100 girls chosen at a state level competition to sing for the National Music Educators Convention in Lansing.

Mrs. Marge Robson directed the general and Honors Chorus, blending them into perfect melody and harmony.

Sopranos gasp for breath as they finish singing twenty, long measures. Lonna Town, Renee Blake and Teri Derue agree that Beethoven fits their mood of singing right now. Diana Naeyaert decides that the last "C" was a little bit too high.

Hear ye, hear ye, Mr. McCabe announces that the 8-club will finally be recognized by the students who don't know what the 8-ball club is and what it does. Many jobs done by the 8-ball club such as working lights, pulling curtains, and setting up scenes for the school play would not be done without them.

While everyone is watching M.C.H.S. win another tough team in a basketball game, or someone is rushing to find a seat during an assembly, who stops to think who was there before them to set up the P.A. so the little voices from afar could be heard?

In addition to setting up the P.A. they also are responsible for taking it down afterwards which requires a little know-how and skill.

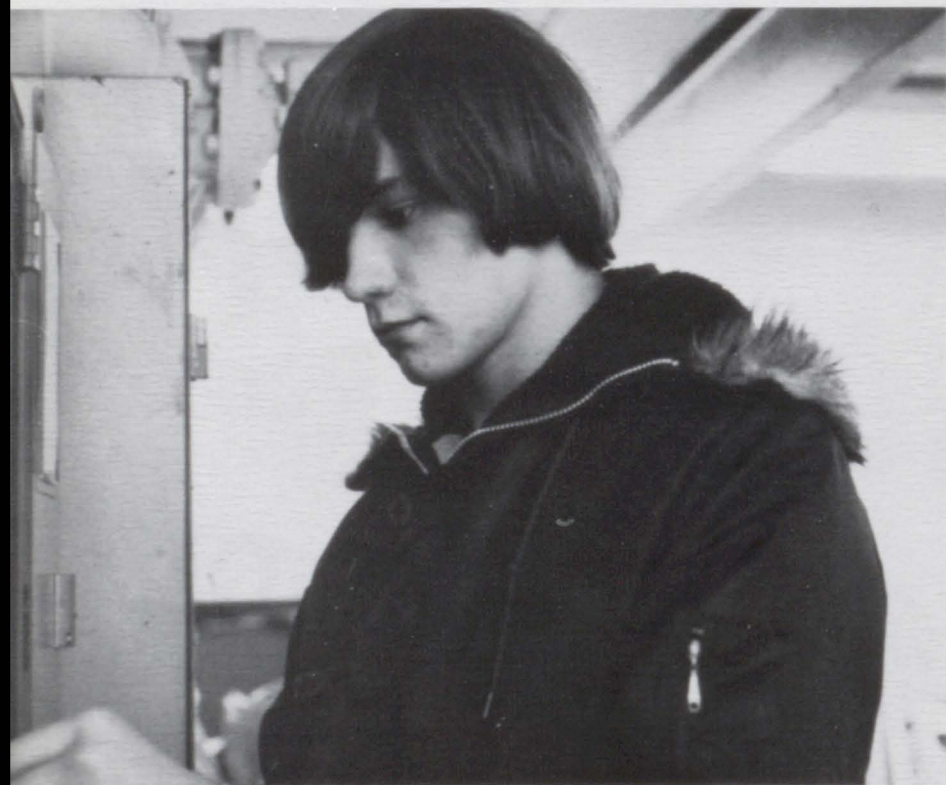

This year Mr. Jeffry McCabe is the sponsor of the many members who enjoy being in the 8-ball club.

## Hit The Lights!

Dave Micoff adjusts the lights for "The National Anthem."

Dan Guyor's job is setting up the flag.

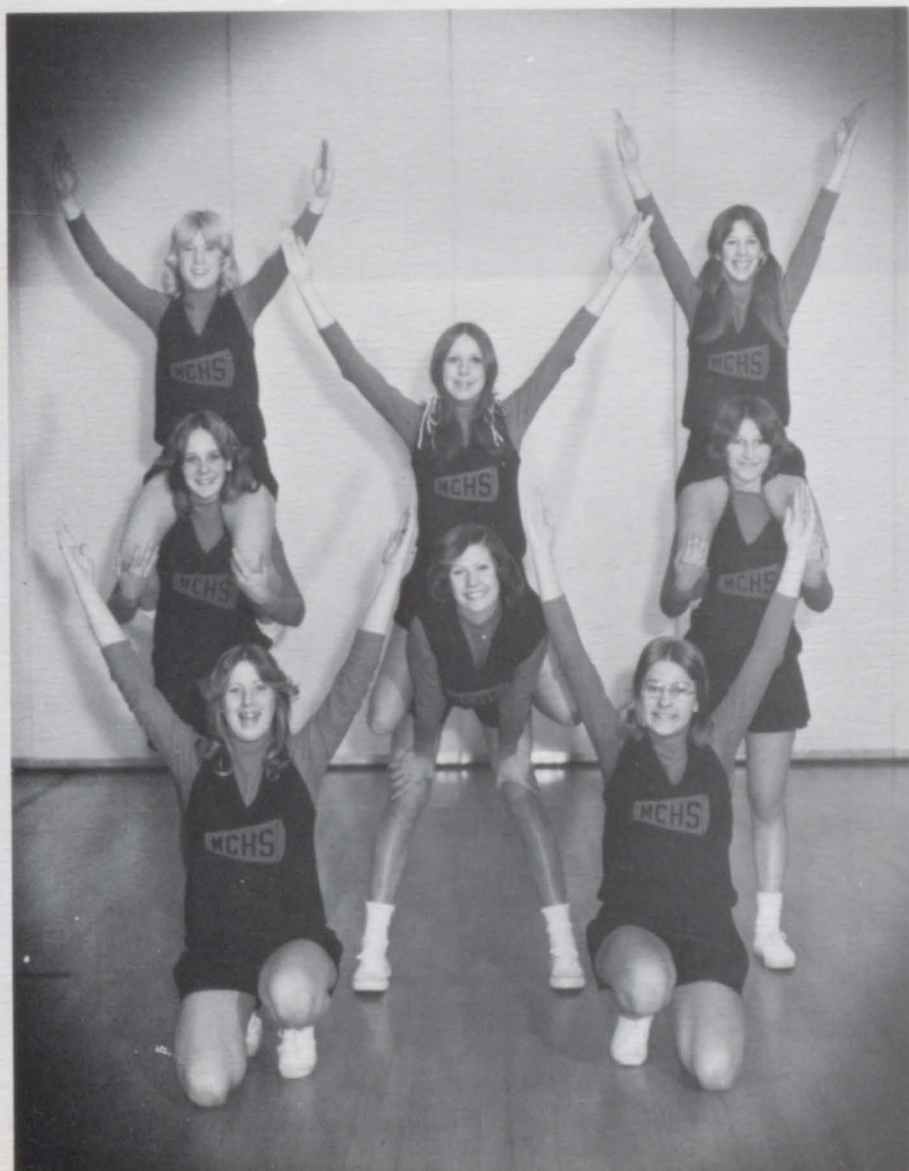

# *Frosh Cheerleaders Promote Spirit*

*Mrs. Penelope Burman shows Lisa Cobb how to hold a pom-pom.*

*The freshmen really got it together this year with the group of girls they had cheering their Frosh team to victory. Enthusiasm and spirit played a big part in cheering. The eight girls really got it together when they performed a 50's routine dressed up like dolls.*

*Carrie Smith and Michele McLouth sure got rhythm.*

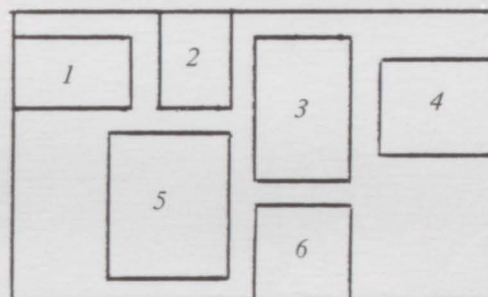

## *Movin' On, Movin' Up, Move Ahead!*

*Movin' up this year to M.C.H.S. was an addition of two more cheerleaders to the varsity squad. Both squads sold candy and bagels to attend a cheerleading camp in Avondale. After a week of hard practice, they proved themselves to be dynamic. They received a first place ribbon for a flashlight routine to the song of "Diamond Girl" and an honorable mention for performing a skit.*

*During December our cheerleaders held an I.C.F. learning clinic at M.C.H.S. Over 200 girls from Michigan attended it. The instructor gave them many tips and they improved their skills in mounts and floor cheers. It all adds up to the perfection they have shown at games and assemblies.*

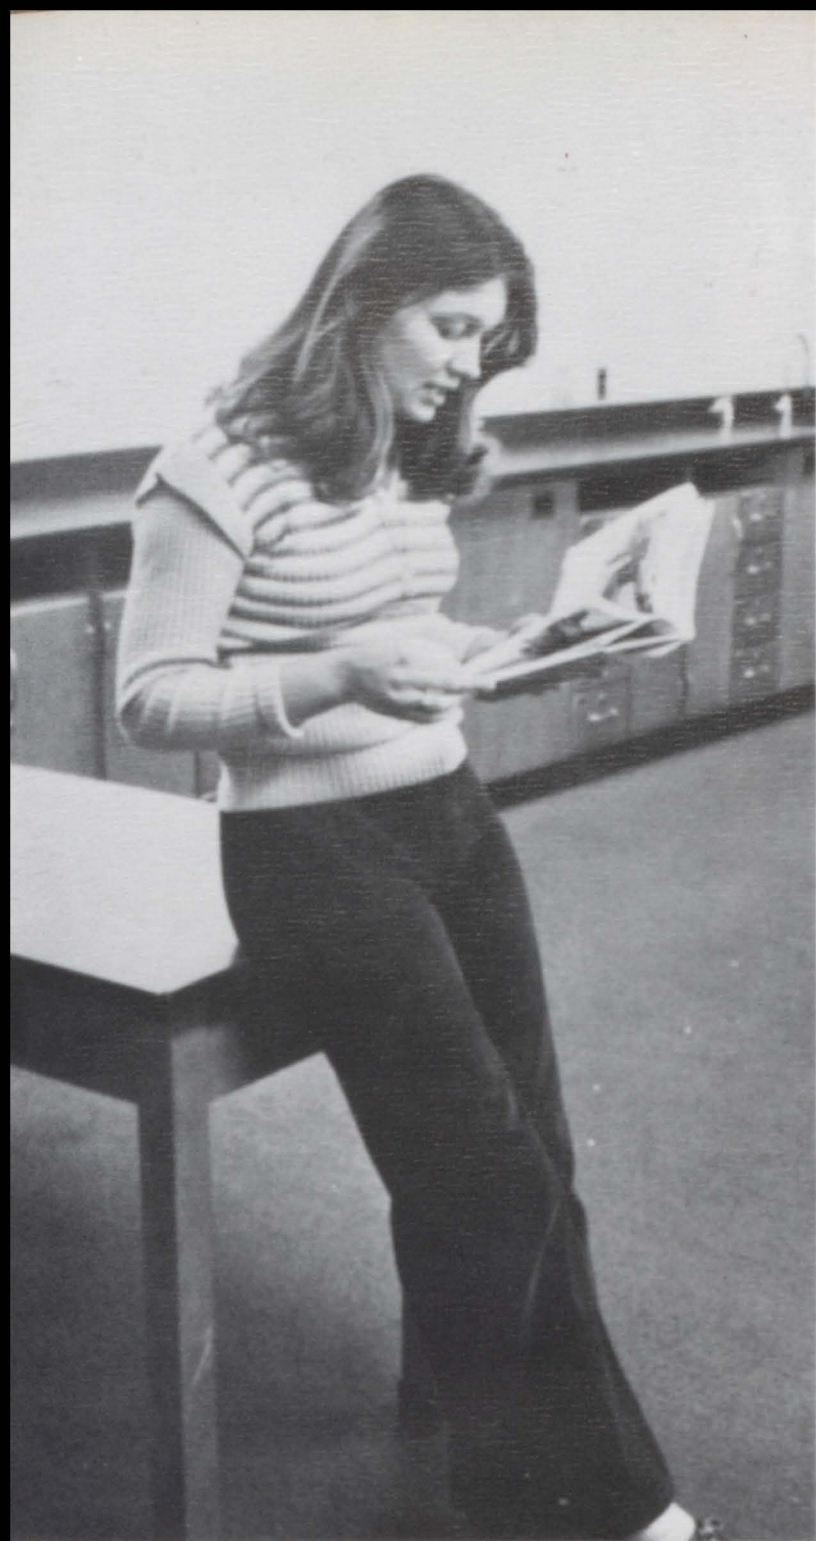

1. The J.V. squad performs a flashlight routine to "Movin' On" during halftime of a basketball game.
2. Julie, Dawn, Joan and Jane reach for a victory with "Locomotion."
3. Flashing a number one smile from top are: Darlene Beattie, Julie Smith, Dawn McLouth, Jane Britz, Debbie Wolf, Colleen Nugent, Anita Smith and Joan Britz.
4. Senior spirit gives Anita the right to let Mr. Dunker have it while Mr. Pavlov awaits Dawn's attack.
5. Helping each other to the heights of success are Rindy Braun, Kathy Nugent, Bonnie Jones, Bridget Snell, Vickie Hansen, Debbie Hopton, and Amy Rhodes.
6. Suspense holds Bridget, Debbie and Rindy in awe.
